

# *Drop Zone*

## **-DESCRIPTION:**

Six different colored golf balls are placed in a line, on top of the game unit.

The player places his or her ticket on a board that represents the one of the six colors of the balls.

The game operator releases all the balls at once.

A player wins by picking the color of the ball that falls to the bottom first.

## **-HOW TO SET UP GAME**

Set the game in the front of the booth.

## **-HOW TO PLAY**

- 1) the game operator places six different colored balls on the tilt rack located at the top of the game unit.
- 2) Once all the players have placed their tickets on the color of the ball they think will be first to make it to the bottom, then the operator releases all the balls
- 3) You need at least two players to play game (the more players the more profit)
- 4) It is OK for more then one player to bet on one color
- 5) The operator should randomly change the location of the balls on the tilt rack with each play.

## **Materials and or Items you need to supply for this game:**

No table is needed but some people prefer to use one.

## **-SUGGESTED PAY OUTS**

With 6 or more players Give 3 tickets the winner

With 3 to 4 players give 2 tickets the winner

With 2 players give 1 ticket
