4. RESOLUTION APPROVING THE TRADE-IN OF TWO VEHICLES AND THE PURCHASE OF A REPLACEMENT VEHICLE FOR THE NATION’S EXECUTIVE OFFICES

Amanda Honwytewa confirmed the trade-in was for two vehicles in the amount of $7,661 and the purchase of the new vehicle $21,274.48 and the funding will come out of CARES under the contingency line item.

Lisa Bluclake explained she included language in the resolution to justify the purchase of the vehicle. There is language that suggests that they prefer short term remedies instead of long term. It is more cost effective to purchase a vehicle. She looked online to see what the cost would be to rent a vehicle of this size for six to eight months and it ranges from $11,000 to $15,000 and when you get a new vehicle for $21,000 it was more cost effective to purchase a vehicle. You probably wouldn’t be able to lease a vehicle for cheaper. You are using the vehicle for COVID-19 purposes.

Nancy Guzman motioned to approve the resolution approving the trade-in of the current vehicles and the purchase of a replacement vehicle for the Nation’s Executive Office as follows and as further detailed in the Purchase Order (1) The Council authorizes the trade-in of the following described vehicles for the combined trade-in value of $7,661:

2011 Chevrolet Traverse, VIN: 1GNKRJED3BJ222472
2010 Chevrolet Malibu, VIN: 1G1ZE5E74AF253003;

The Council approves the purchase of the following described vehicle 2020 Chevrolet Traverse LS 220201, VIN: 1GNERFKW5LJ294114, Purchase Price - $21,274.48 after trade-ins
