

Calgary Torpedoes Water Polo Club Volunteer Policy and Guidelines

Definitions:

1. Members: athletes or parents/guardians of athletes who are minors
2. Season: September 1- June 30

Purpose:

3. The success of the Calgary Torpedoes Water Polo Club is directly dependent on the dedication and commitment of its members to volunteer for the club. All of our athletes benefit directly from the contributions of our members' time in all capacities throughout the Club. The Club executive has constituted the following policy and guidelines to ensure that a transparent and fair expectation is set forth for all members of the club.

Requirements:

4. Each member registered (not per family) is required to volunteer for a minimum of 12 hours during the season, excluding requirements 7, 8, 9.
**NCL Athletes and families may be required to volunteer additional hours based on the number of Calgary NCL events. Local NCL Clubs are mandated by Water Polo Canada to look after all hosting requirements when an event is taking place at their home location. NCL hosting requirements vary each year from one to four events each season. Events are not posted from Water Polo Canada until September.
***Please note Volunteer hours for Alberta Open are NOT considered as part of this policy. This event is considered outside the scope of the season and does require a separate registration cost and a separate volunteer commitment.
5. Volunteer Commitment Deposit (VCD)
 - a. VCD are required per member in order to complete the registration process

 - c. No member will be allowed to participate in club activities until their registration is complete. Until registration is complete, your athlete will not be entered into the Water Polo Canada database and will not be covered by WPC insurance.
 - d. VCD will be in the form of a predated cheque for the end of the season written for the predetermined amount.

I understand and agree that my volunteer commitment deposit cheque(s) will be cashed should I not fulfill the volunteer commitment expectations set out at the beginning of each season by the Club. I understand and agree that my volunteer commitment is based on a per athlete registered, not per family registered.

Guidelines:

11. As this policy sets forth the expectations for volunteer commitment from our members, it is recognized that the club is obligated to provide opportunities for its members to volunteer and credit will be granted only for positions that are prescribed by the club.

12. You may fulfill your commitment either by volunteering in a key role position or through a variety of variable volunteer options.

a. Key volunteer roles are essential to the functioning of the club. They require more commitment from members but provide the benefit of fulfilling the VCD if that role is successfully completed by the end of the season. They also provide a consistent set of expectations of the role for the season or beyond. If the member is unable to fulfill their commitment to a key role, prorated credit will be given and alternate options will need to be sought out by the member to complete the rest.

These efforts should be communicated directly to the team manager. If no attempts to sign up have been recorded and the member has not fulfilled the requirement or alternate arrangements have not been made then their VCD will be cashed.

- e. If a member is short of any volunteer hours at the end of the season, a penalty of \$25 per hour missed will be deducted from the VCD. (See Appendix A)

15. Volunteer Commitment Deposits

- a. VCD will be cashed on the last day of each registration period of the current season for members determined to not have met their volunteer obligations. All other members who have completed their volunteer obligations will have their cheques destroyed (uncashed cheques will NOT be returned to members).

- b. The volunteer buyout amount for the 2021/22 season will be \$300.00 (per athlete) and all funds will be directed to paying staff to fulfill non-budgeted volunteer time, investment in assets, and other expenditures as deemed appropriate by the Board.

17. Exemptions to this Policy

- a. It is acknowledged extenuating circumstances may exist. If you are unable to complete your volunteer commitments and feel additional consideration should be warranted, please submit a request for review in writing to the Calgary Torpedoes Board of Directors for special consideration and/or review.

18. Review Date and Approval Date

- a. This policy can be reviewed annually either by the Board or a committee assigned by the Board for such purpose. Changes should be recommended and presented to the Board for approval.

ALL THE NUMBERS PROVIDED ABOVE ARE ESTIMATES AND THE BOARD RESERVES THE RIGHT TO ADJUST THE REQUIREMENTS TO MEET THE NEEDS OF THE CLUB IN A REASONABLE MANNER.

Appendix A: Volunteer Commitment Deposit Example:

\$300 Volunteer Commitment Deposit

Parent "A" volunteered in the following:

- Open house – 2 hours
- Tournament official – 4 hours
- Hospitality suite – 4 hours
- Total volunteer hours for the season – 10/12
