

# VALENTINE SUNGLASSES

## Materials:

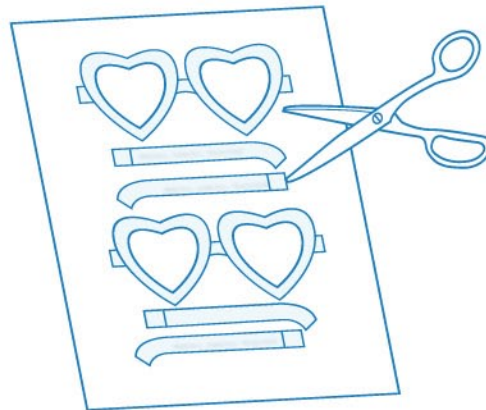

Printer  
Cutting Tools  
Glue

Note: Cutting intended for adults only.

1. Print out sunglasses on sturdy paper or card stock. Set aside to dry completely.

2. Cut out the sunglass pieces. Be certain to also cut out the middle of the sunglasses so the child will be able to see properly.

3. Now it's time to assemble! Fold earpieces on dotted line. Use glue to attach the earpieces as shown.

4. Next, put them on and dazzle your friends! Spectacular!
