Calendar

Club Member Use of Range 1

CLUB MEMBERS ARE REMINDED:

1. Target carriers for general Club use are accessible and stored on the rack on the outside of the Highpower shed.
2. The Club does not provide paper targets. As in the past, bring your own.
3. Please be considerate of all users of Range 1, and all other ranges. When your use of the range is finished remove your targets, staples (as reasonably able), tape, brass, and all other materials that you brought to the range

Access to the Highpower shed is unnecessary for general range use. More importantly, with the Club's significant financial investment in electronic targets for use on Range 1, controlling access to the Highpower shed will be even more important.

ELECTRONIC TARGET UPDATE: Any member wishing to use the electronic target(s) on range one must first complete the highpower orientation on using this equipment. The member desiring this training must first contact the highpower chairman, who will himself or his designee, set a date and time for the training. The information of the highpower chairman can be found in the club's current calendar or from our website, www.wvrpc.org. Once the member has completed the training, their badge will have a special emblem on it signifying that they have completed the required training in use of the electronic targets. **Only members who have completed the training are authorized to use the electronic targets.**
