PASADENA ROSE PARADE!! — SMILE! YOU'RE ON TV!

WHAT A TIME! WHAT A DAY! With their horses all squeaky clean and super curly, 1¼ A B C riders had the thrill of a lifetime in the Pasadena Rose Parade, led by our unit's Marshall, Benny Damele, probably "the happiest man in the whole USA"! Wish you could have all been there! For certain, only the riders could describe the wonderful audience response at seeing our unusual horses. After the 5½ mile ride past 1½ million people, all were hoarse from trying to answer everyone. What a difference this day made! After years of having our horses ridiculed, words like "Gorgeous" "Beautiful" "Adorable" were music to the ears. Responses to the touch resulted in "They're so soft and silky" "Just like petting huge stuffed toys" "Wouldn't that make a gorgeous coat". (This last required a reply -- "It already IS a gorgeous coat"). Funny part was so many folks just could not believe the curls were natural, asking what we did to make them curl, or what we put on them to get such a coat. — Things like that can make your day! Our biggest disappointment was that members Cori John and Juanita Gummis and daughter, Phillippe, could not join us at the last minute — maybe next year.

Representing our Curlies at the big equestrian show at Brookside Stadium was Rollie Newman and his talented Johny. Come Lately ABC-214, all the way from New Jersey. Smart as a whip, this beautiful palomino gelding delighted the big audience with a cute routine of 1¼ high school tricks. We were all on hand to watch and were so proud of them both! APPLAUSE! APPLAUSE!

We have heard that the Rose Parade Office has received more inquiries about our ABC horses than for anything else in the Parade, and we have already received applications for next year's parade. So, if you would like to ride in 1985, drop a line or phone ABC: 702-289-4228 for an application; but hurry — as you must have an 8 x 10 color picture of you and your horse (in curl) before they shed. Applications must be sent to ABC by May 15, so we can send our complete portfolio by the June 1 deadline. Come on! Join the fun!

Riders below (front to rear) are: Benny Damele, Dayle Johnson, Lorrie Hofstad, Laura Gilkey, Debbie Mitchell, David Harley, Michelle Couch, Pat McKenney, Cora Tuttle, Mel Blue, Don Wybert, Debbie Drummond, Georgette Jessen, Rollie Newman. Good looking group! WOW!
HALF-FOX TROTTER REGISTRY --

Many ABC members should be happy to learn that the Western Fox-Trotting Horse Breeders & Exhibitors Assoc., has made a board decision to allow any horse that is the product of a registered Fox-Trotter and a registered American Bashkir Curly, to be allowed Permanent Registration in their Half-Fox-Trotter Division, on the basis of their bloodlines, and no inspection under saddle will be required.

Although it was their board's original decision to allow only crosses to registered Arabian, Morgan, Quarter Horse, Saddlebred & Tennessee Walkers, it occurred to them that they had left out the one breed that most closely resembles the true Fox-Trotting Horse - our American Bashkir Curly. Many of our horses should qualify, and we should be very pleased over their decision. It will surely be discussed at our ABC meeting in June. In the meantime, if interested, contact:

Western Fox-Trotting Horse Breeders & Exhibitors Assn.
Jeanne Vaughan, Secretary
PO Box 129
Byron, California 94514

We should all be extremely happy that other Registreries are starting to realize the true value of our ABC horses. Another break-through:

ADOPT-A-HORSE

So many folk have written in asking how to find out about adopting a Curly, and though there is not a very good chance of adopting a Curly from the BLM, here is how to contact them:

Adopt-A-Horse
Bureau of Land Management (130)
U. S. Dept. of the Interior
Washington DC 20240
Ph: 202-343-5717

Base Price: Horses $125; Burros $75.

Round up corrals: (and Adoption Centers)

Horses - Susanville CA; Palomino Valley, Sparks NV; Burns OR; Rock Springs WY.
Burros - Kingman AZ; Collinsville TX

Adoption Centers also at Cross Plains TN; Lewisberry PA; Collinsville TX

CURLY HORSE HAIR

Would you believe we are now getting requests for hair from our horses to use for weaving and knitting? Seems the picture of Corine Mead's horse-hair cap created quite a bit of interest. So, now you may just have to start saving the hair from your Curly when it sheds in the Spring. What next?

WITH A LITTLE HELP FROM OUR FRIENDS

The MOTHER EARTH NEWS Nov/Dec issue printed an article by Mrs. Jay Hensley about our ABC horses. Unbelievably this article brought a flood of mail that was totally unexpected, and which is directly responsible for almost all of the more than 190 brand new members listed in this issue! Believe me, your Secretary almost went into a state of shock at suddenly receiving 100 to 200 letters a day! After all, they all needed answering! Talk about CHAOS! Had never anticipated anything like this and all supplies kept running out - info letters, newsletters, stationery, file cards, stamps - all had to be ordered and re-ordered - and re-ordered - while letters piled up, and I am sure folks wondered why at times they did not get an answer sooner. Friends finally came to the rescue - stuffing envelopes; collating, stapling and folding newsletters; sealing and stamping envelopes; making & filing cards; filing letters - and I want to thank Lucille Broderson, Nancy Meadows, Debbie Mitchell, Eleanor Renshaw & Vivian Stephens for their kind help. But especially, of course, we should all give a great big "THANK YOU" to THE MOTHER EARTH NEWS and its' wonderful readers! You, too, Jay!

The ROSE PARADE caused a flurry of articles. The New Jersey Herald featured Rollie Newman & Johnny Come Lately's "Rose-y Experience"; The Fresno Bee's "Pony with the Pin Curls" focused on Debbie Drummond and her mare, Bucephalee; The Henderson NV paper carried a nice article about Michelle Couch & Risha Rishan; and our Ely Daily Times pictured Benny Danelle and riders from Ely, David Harley, Dayle Johnson & Debbie Mitchell.

Sky West Airlines' MIDFLIGHT Mar/Apr issue ran an article by Jeff Ray, who traveled from Cedar City UT to Ely to do a story on our Curlies & even became an ABC member! So, THANKS on both counts, Jeff!

Charlie Brown, Claremore OK, sent us a most interesting article "The Greatest Hunting Cayuse" by Russell Annabel taken from SPORTS FIELD July 1969 edition, a true story about Annabel's Curly stallion "Lucky" which he claimed was the best horse he ever owned! Truly a fascinating story. Thanks so much, Mr. Brown!

Free publicity is coming from many other sources. - The Southern Horse Digest, National 4-H News, Chronicle of the Horse, Alaska Horseman Directory (with ad by the Boyd's of Anchorage), E. L. Hope's "6000 Years of Sea-Faring" with full chapter on Curlies; advertising pens for Dewey & Melissa Buchar's "Sunshine Curlies" - A Special Breed for Special People - and member Sue Weaver who has written for THE STABLE SHEET, the Midwest Equine Market Report, designed ads and her own stationery. It all helps!
THOUGHT YOU'D LIKE TO KNOW --

from ALASKA -- Bruce & Marcia Boyd, ABC breeders at Anchorage, are excitedly awaiting the arrival of two Curly foals, the first ever at Anchorage. The moms-to-be are PRIMADONNA ABC-136 and RED'S SUNDAY ABC-38. The sire is their DAN J ABC-70. Let us know!

With his retirement from the Alaska Hiway Dept., starting May 1st, Joe and Corine Mead will be re-locating. Joe was the first person to take Curlies into Alaska and he and wife, Corine, truly love them. Corine made the long drive in February from Fairbanks to Sequim WA with all but one of their Curlies, where she plans training and showing them. Their young stallion, BENNY D ABC-209, will stand at stud in Fairbanks this season. Look forward to seeing them and their horses at our show in June.

from CONNECTICUT -- We were deeply saddened to hear of the death of Mrs. Barbro Perio of Danbury. She loved her Curly Standardbreds, and her mare GO BOY'S BARBARA ABC-77 was the first Curly to be registered with USTA. Her vibrant personality will be sorely missed by her husband, Joseph, son David and daughter Anne. Condolences were sent from ABC.

from FLORIDA -- Hazel Reeder, Brooksville, owner of BEETLE BAILEY ABC-223 happily reports that a lady from St. Petersburg, very allergic to horses, came to see it on Hazel's Curly gelding. After leading, petting, hugging and even riding him, she did not show even one allergy symptom -- one more proof of our Curlies' unusual trait. Neat!

from OREGON -- a note from Glen Kugler of Dayton brought the sad news that his great Curly mare OLD SUE ABC P-37 had to be put down the 1st week of March, due to declining health -- at age 33! OLD SUE was the first ABC mare to receive Permanent status with the required 2 registered Curly offspring, namely BIG RED ABC-12 and DAN J ABC-70. She was a prolific broodmare, having her last foal at age 25, and will surely be missed.

JUNIOR PEN PALS -- Several ABC Juniors asked for a "Pen Pal" column, so here is a starter and we hope it grows. Write ABC if you would like to have your name listed.

Vicky Hood, Old Mill Rd., Harvard MA 01451
Stefani Peterson, Box 1268, Petersburg AK 99833
Kristine Phaneuf, 9 Stony Hill Rd., Feeding Hills MA 01030 (owns a Curly palomino mare)
Kristine Terry, RD 2 Pierce Rd., Canistoe NY 14823

So many of you have asked if our Curlies were good in harness, so thought we should show this picture of JOHNNY COME LATELY ABC-214, being driven by owner Rollie Newman of Sparta NJ, even tho he is not in curl. JOHNNY is primarily a trick horse, but is so versatile he also drives and is used for roping, on trails and in parades. No wonder Rollie is so proud of him! Our Curlies are not heavy harness horses, but are excellent with buggy or sleigh! Try it!
