SO LONG, AL, IT'S BEEN GOOD TO KNOW YOU --

It was a great shock to all of us who knew him to hear that Al died suddenly Jan. 2. Al joined ABC in '80 & elected V.P. in '84, a post he held until his death. Al was devoted to his Curles & proud of his stallion, Prince Charming, & his record of amusing Curly foals. Flowers were sent by ABC and condolences to his wife, Mary, and family. Curles, and ABC, have lost a good friend, but Mary and sons intend to carry on the family breeding program. Our very best to them.

CONGRATULATIONS, ALL!! ABC is proud of you!! Also, hats off to our Reserve Champion Performance Horse, INSPECTOR SIZEMORE ABC P-430, who also won the Hi-Point Performance Horse Award at our 1986 Show. "SPEC" is owned by Robert Krehm of Monona WI and ridden by his daughter, Candice Krehm. Unbelievably this is the 3rd straight year that Corine Mead has ridden Q-CARD to a double win in both Performance and Endurance Trail, and the fifth year for STRIKE to be our Half-Bashkir Performance Horse! Wow! And, our thanks also go to everyone who showed their Curliers this past year at shows, fair, and parades. It's all great advertising for our horses, and FUN!!!

PASADENA ROSE PARADE -- 1988

ABC will again send applications to participate in the 1988 Rose Parade, and Deborah Drummond is sending out entries for it. All who wish information should write to her at: 5184 - 10th Ave.,
Hanford CA 93230, for requirements and dress code -- but do it soon -- as the individual applications have to be sent to ABC at Ely no later than May 15th. Don't forget!

It takes lots of time, effort and money to represent ABC in this grand-daddy of all parades, and we doff our hats to this wonderful group of Curly horse folks who rode last year:

Bill Begun & Pats Diamond Chip, Janesville CA
Mel Blue & Li'l Diamond Chip, Litchfield CA
Sam Borges & Tahoe Curly, So. Lake Tahoe CA
Holly Chase & Tzar-Xan, Lewisburg KY
Norman Dills & Curly Clown, Winnemucca NV

HAIR YE!! HAIR YE!!

Spring is here -- and there go those beautiful curls you've admired so all Winter. But before they all go, get out that ol' sheddin' blade and try to save the hair. If you can't catch it in a paper sack, try standing ol' Curly on a plastic drop cloth and start after those curls. They are valuable -- yes -- and Corine Mead wants Curly hair very badly as she is busy spinning it and needs all she can get. Corine (see address with breeders) says to mention if you are coming to the convention, bring it to the barn area and see what it's worth! And if you want a cap made out of your Curly, you can perhaps get Corine to make you one! Just one more thing Curlies are good for! Amazing!

HAVING AN ARTICLE WRITTEN ABOUT YOUR CURLIES? That's great! The more articles, the better, as it is terrific advertising and promotion for our horses. However, there is one thing ABC asks, and that is that it be mentioned at the end of the article to send $1 and a long double-stamped self-addressed envelope to ABC for more info and the latest copy of our newsletter, Curly Cues. Love to get all the letters, but it does take a toll on our finances, so please ask for the $1.

THANK MUCH!

THANKS, Everyone! Can you believe? It took 8 full years to register the first 120 Curlies, and here we have registered 100 in just the past 6 months! No wonder Debbie and I are going out of our minds! Happily, tho'!!!

BREEDING SEASON IS HERE

It's breeding season again, and whether you are a licensed ABC breeder or not, just want to remind those planning to breed either their mares or stallions that the ABC Registry does not condone the breeding of either our Curly Stallions or Curly mares to Quarter Horses or Thoroughbreds. We are not trying to breed more speed into our Curlies, but are trying to breed an all-around family pleasure horse with a super disposition, excellent gaits and plenty of endurance. We feel we have one of the last 'natural' breeds left and we owe it to these wonderful horses to keep them that way. So, just say "NO" to Quarter Horses and Thoroughbreds. You'll be glad you did!

RESEARCH DEPARTMENT --

THE CURLY GENE

More and more interest is being shown in our ABC horses and just recently Dr. Phillip Spomenberg, DVM PhD, of Virginia Tech College of Veterinary Medicine, Blacksburg VA, did a work-up on the Curly gene in horses. Happy his work showed that the Curly gene can be 'dominant' as well as 'recessive'. His report will be seen in the "Journal of Heredity" shortly. Thank you, Dr. Spomenberg!!

THE CURLY BLOOD -- IMPORTANT!!

Happy to announce that Dr. Pat Bolling, DVM, of the University of California College of Veterinary Medicine Serology Dept, Davis CA, will do a study on the blood of Curlies, which should be of great interest to us all. In order to do this, she must have blood samples from at least 30 Curlies, so we ask those of you who would like to have this done, especially those with stallions standing, please let ABC know shortly. ABC will then contract for the study, and the cost per horse is $31. Dr. Bolling asks that the Curlies with the oldest Curly backgrounds, and the purest strains, either sex, are of particular value to the study. The necessary materials for taking and mailing the blood samples will be sent to those interested, let ABC know!!

TAILS !!! TALES !!! TAILS !!!

With their unusual habit of being able to shed their tails, maybe our Curlies don't always have the greatest looking tails in the world, but did you stop to think that maybe some of those beautiful flowing tails you see in the show ring aren't always real? Anyway, here's an ad for 'falsies' or 'wigles' for horses I thought you might get a kick out of--no, they're not for Curlies, as we have to show our horses 'au naturelle' in All-Curly classes--

ALLERGIC TO HORSES?

If you are a person who is very allergic to horses, but still love them, ABC has a very simple solution -- try a Curly! That's right. Curlies are actually hypo-allergenic. We actually don't really know why, but we think it's wonderful there is a breed one can enjoy without problems. If you'd like to check it out, visit someone who owns a Curly. We know you will be very surprised -- as was Joyce Giuliani of Vulcan MI and Herbert Parks of Greensboro NC, who both now own Curlies. If you want more proof, write or call ABC and we can put you in touch with folks who are now enjoying Curlies, but are very allergic to other breeds. Nice to know!

WANNA ADOPT A CURLY?

Although ABC has had a letter on file for several years from the U.S. Bureau of Land Management, Washington DC, saying we would be notified of any Curlies rounded up with the wild horses, it wasn't until this past Fall that they finally got around to letting ABC know. As a consequence, about a dozen Curlies have been adopted by ABC members and registered, as happy to say. So, if anyone is interested in adopting a Curly from BLM, let ABC know and next time we hear of one available we will let you know. Usually one doesn't have much time, as it is on a short notice, and the wild horse corrals are located at Palomino Valley near Reno, and at Susanville CA. So, time and distance is always a factor. Happy to say that those who have been fortunate enough to get a Curly out of the wild herds find that they have the same wonderful disposition as those that we raise. They surely don't act anything like the straight-haired horses out of the same herds. Luv that!

SHOWING YOUR CURLY???

ABC urges you to show your Curlies. Those that have been shown have made an enviable record. Enter horse shows, fairs, parades, etc. And, send to ABC for show records, show point records and copy of letter relating to showing Curlies. We want to help!
IMPORTANT NOTICE -- PLEASE READ --

To all of you members out there who have ideas, suggestions, questions, gripes, information, ways and means of making money, changes you may want, or something for the good of the club, that you want to have brought up at convention, PLEASE, you must send them to ABC in writing before June last! Your letters will be channeled to the proper committee, and put on the agenda. You do not have to be in person to have your ideas aired; however, even if you are planning to attend, your suggestions must be sent in so they can be included on the agenda. This will speed up the meetings, and much more can be accomplished. If you want to be heard, we want to hear from you! Deadline: JUNE 1, THANK!

HA! HA! SEE WHAT I GOT!!!

INSPECTOR SIZEMORE - ABC P-430.

23-year-old "Spec" hams it up with some of the many, many trophies he has won in his lifetime, as Candida Kreigh watches. Notable among the trophies is the beautiful 102 Pound Demele Memorial Award won for Hi-Point Performance Horse at ABC's All-Curly Horse Show in '66. Owned by Bob Kreigh of Monona WI, and shown by daughter Candida, "Spec" has been campaigned a lot during his lifetime. With a true Curly nonsense disposition, he has won many trail classes, jumping, too, and gymkhana events when he was younger. "Spec" 'loves a parade' and among others, he has been in the Chicago McDonald's Christmas Parade twice, the Chicago Circus World Museum Parade twice, at Milwaukee twice and also in Baraboo WI, home of the Museum. So, go ahead and laugh, "Spec", you've done it all and against some very good competition. Great!
