ROY CLARK HOOF BOND PURSE AWARD

And, now, hold onto your Stetsons, 'cause you won't believe this!! Our All-Cury Horse Show is registered for the ROY CLARK HOOF BOND PURSE AWARD, and David Sigler, President of HOOF BOND, Inc., tell us that our All-Cury Show will receive an added cash bonus award of -- (are you ready for this?) --

!!!!!! FIVE THOUSAND DOLLARS !!!!!!!

Yes, that's right! FIVE THOUSAND DOLLARS! So, now, all you folks better put a few finishing touches on those ol' Curly's of yours and be here for our show!

There's a catch, you say? Well, not really. We already stress showing Curly's sans shoes, so all that is necessary is that your Curly has no shoes, no visible nail holes, and is bonded with HOOF BOND. That's EASY! It only takes 20 to 30 seconds to apply HOOF BOND, so look for it and get your local tack or feed store to carry it and you will qualify for your share of this added purse sponsored by top country entertainer ROY CLARK for HOOF BOND, Inc.

Let's make this show a 100% "HOOF BOND" show!!

So - check out your local tack or feed store to see if they carry HOOF BOND, the revolutionary new product to make horses' hooves strong enough to go without shoes. If not, send their name and address to ABC and we will forward it to the HOOF BOND people, or they may write to:

Horse Show booklets & Entry Blanks will be sent out in late April; however, for those of you who are bringing horses and want to qualify for the extra ROY CLARK HOOF BOND bonus, let us know here at ABC as soon as possible, as we have special entry blanks for it we will be happy to send to you.

Here are the rules for the ROY CLARK HOOF BOND PURSE: But, first, let's all give a Great Big "THANK YOU" to Mr. Clark & Mr. Sigler!!!

(Cont'd)
ROY CLARK HOOF BOND PURSE - Rules:

1. The ROY CLARK HOOF BOND PURSE shall be added as follows: $1,000 for local shows, $5,000 for regional shows, and $10,000 for national shows. (We qualify as a regional show)

2. The ROY CLARK HOOF BOND PURSE shall be added to the total purse of the show, to be divided among winners of final events in each eligible category of the show, whose horses are unshod, bonded with HOOF BOND and have no visible nail holes.

3. All members of a show's sponsoring organization shall be informed of the show's participation in the ROY CLARK HOOF BOND PURSE.

4. All registrants of a participating show shall be made aware that the show is a participant in the ROY CLARK HOOF BOND PURSE.

5. Participating shows shall so indicate in all show promotions, for example, in ads, announcements, etc.

6. This purse shall be divided among all eligible winners. In the case of there being only one unshod and bonded winner with no nail holes, the whole purse shall be awarded to that person.

7. Participating shows shall supply a list of (5) tack shops or feed stores that vend HOOF BOND and are frequently members of the sponsoring organization.

8. Vending dealers listed by winners of this purse as sources of HOOF BOND used on their horses shall receive $25 for each winner.

9. When 50% of registrants in a participating show enter the ROY CLARK HOOF BOND PURSE, the sponsoring organization, association or club shall receive an added award of $100.00.

There -- you have it! Now, let's all get busy and make this the biggest and best show our Curlies have had to date. This is a rare opportunity for our Curlies to qualify for such a truly grand prize! Wow!

Don't forget -- send to ABC right away for the special ROY CLARK HOOF BOND PURSE Registration Form. We already have them on hand!

AND THAT'S NOT ALL -- This must be "OUR YEAR"!

Mr. Colin Dangaard, President of the AUSTRALIAN STOCK SADDLE CO., at Malibu CA, is also adding to the awards list of our show. Mr. Dangaard's Company is furnishing our Horse Show winners with their special SADDLE CARE KITS! These kits normally sell at $18.50 each, so this is a very nice extra incentive for our contestants. Also, he is sending a supply of their $3.00 Catalogs to hand out. Thanks MUCH, Mr. Dangaard!

Member Michelle Moss, Wasilla AK, loves these

AUSTRALIAN STOCK SADDLES and is now a distributor for them in Alaska. Too, we have just learned that member Patricia McKendry, Morgan Hill CA, an avid endurance rider, has just invested in a new AUSTRALIAN STC R SADDLE for the trails, so some of you other folks might just like to look into them for yourself. OK?

NEW ALL-CURLY HORSE SHOW CLASSES --

It has been brought to ABC's attention that several All-Curly Horse Show Classes are being planned this year, primarily in the East. This is great, and we appreciate everyone's efforts to show off our Curlies. However, just want to explain to those who are working to get new All-Curly Classes in any Show that the Show officials must contact ABC, listing the Classes they want to hold, the name of their judge, dates and location of the Show. All-Curly Classes, as with any other Breed Class, must have Registry approval before being held. So, please check with the show officials where you want All-Curly Classes and have them contact ABC. This is a MUST! Of course, Curlies can enter open classes at any show; however, ABC does not sanction Speed Events or Halter Confirmation Classes, and no points can be earned in these categories. Show results also must be sent to ABC within 10 days after the show.

THANK YOU!!!

BREED PROMOTION AWARD
JAMES HOWARD
Owensboro KY

CONGRATULATIONS to our Trophy Winners! Corine Mead has continued her winning ways with Q-CARD ABC-35 in both Performance and Trail, while also taking top honors in the Half-Bashkir Division with a new arrival on the ABC Horse Show scene, POGO'S IMAGE ABC-S-76. Credit must also go to our Reserve Champions in the various divisions: PELLO CHENO ABC-18 and Debbie Mitchell, Curly Performance; STRIKE ABC S-1, Half-Bashkir Performance ridden by Debbie & Justin Mitchell; and Youth, JUSTIN MITCHELL of McGill NV.

ABC took on international status when Miss Joey Sampson, Nova Scotia, Canada, took Youth honors. This is the 2nd time we have had a Canadian Champion. Joe dearly loves her Curly and elsewhere in this issue you will find a poem she wrote about the palomino gelding Sans of Time.

ABC also wants to thank the growing number of owners that are showing their Curlies at fairs, shows and parades. No wonder our Registry is growing! I mean, fast!

IT'S SPRING BREEDING TIME AGAIN! --

And -- many of you reading this will either be breeding your Curlies or making plans to breed to a Curly, so feel that it is time to list these little reminders as voted on by our own ABC Breeders --

We do NOT breed to Quarter Horses or Thoroughbreds.

We do NOT accept the use of A.I. (Artificial Insemination) or Embryo Transplants, and foals from these methods of breeding will not be registered.

THE CURLY AS A PLEASURE HORSE & USING HORSE --

A recent survey of the US noted that of the more than 12 million riders in the country, 80% of these riders said they primarily wanted a GOOD PLEASURE HORSE! Think of what a huge market that is! We hope our ABC Breeders keep that figure in mind, as Curlies truly are a great pleasure horse as well as an excellent using horse. It seems the more you use them, the happier they are -- and the better -- as they enjoy learning new things. Better yet, they are very good at whatever they are taught to do and have won over top breeds at the best things these breeds are noted for. So, please do not follow the pattern of so many other breeds where the breeders have "improved" their breed so much that they no longer resemble the original type, much to their detriment in many ways. The list is long.

A word of caution -- when one tries to specialize a breed or even an individual horse, he has cut his potential market to a very small percentage, so let's all keep that huge PLEASURE HORSE market just waiting for a horse like ours. Luckily, we are fortunate to have one of the few natural breeds left and we owe it to these marvelous horses to let them stay that way. THANKS FOR LISTENIN'!! Sunny

GREEN CERTIFICATES --

A reminder that those Green (Foal) Certificates that have an expiration date of Jan. 1, 1988 or before, must be sent to ABC for updating to Red or Blue (Adult) Certificates. There is no charge for this, but we do need the Certificates and 4 recent pictures of the horse in full curl. Remember that your Curly is not actually registered after the expiration date and am sure you don't want that to happen -- so please -- PLEASE -- PLEASE send in those Green Certificates for updating. THANK YOU!!

Debbie Mitchell, Registrar

"THE CURLY"

By Joey Sampson - Age 12

Dedicated to her Curly 'Sans of Time' & ABC --

They're not well known down here at all,
It really is a shame,
I feel sorry for the folks who aren't
Aware of Curly fame.

My horse is a Curly
He's also my best friend.
I'm always safe while on his back,
On him I can depend.

I only have to call him once
And he'll come to the gate;
He insists on being friendly,
But then that's a Curly trait.

He's cuddly and adorable,
Loyal, and so true;
He just loves everybody
So you can love him, too.

So, buy your child a Curly
For I'm not one to spooch,
Of one thing I am certain --
A Curly is child-proof.

So, if you're equine oriented,
I tell you this, my friend --
"Get yourself a Curly horse
And you'll own Man's best friend."

Miss Sampson hails from Mt. Uniacke, Nova Scotia, Canada, and is this year's Youth Award winner.
She loves her Curly, and wrote this poem on the way to a Horse Show one day! APPLAUSE!

LIKE RIBBONS? -- Well, Joey Sampson has a wall full of them she has won with her Curly, including 1st in her County 4-H Show in 3 categories with top County riders competing; Jr. Western Equitation; Jr. Western Pleasure; Jr./Sr. Western Equitation. Strangely, Joey says they give red ribbons for 1st place in Canada. Odd!
Complete list of all ABC Licensed Breeders in the USA and Canada. If you would like to breed to a Curly Stallion, or purchase a Curly, check them out. There now should be one near you.

WALKER'S PRINCE T -- ABC P-90, MFTBHA F-12781 --

Sorry to report that this great Curly foundation sire of Lester Tune's, Summersville, MO, died in January at age 20. PRINCE'S greatness as a sire showed in his ability to pass on his sabino color, fox-trot gait, intelligence and disposition to several generations of colts and fillies. He will be missed, but his line will be carried on through his get, especially the many stallions now standing that are directly related to him. Our sympathies, Mr. Tune!

A B C's "2 X 4" CURLIES —

It takes approximately 5 years for a generation of horses to develop, and now that ABC has been going for 17 years, several generations have taken place. It is with special pride I list the following horses which I have dubbed as "2 x 4's". By "2 x 4", I mean that they have 2 Curly parents and 4 Curly grand-parents, so they are about as true as we can get so far. Many more will show up in the near future, but for now, if you are the owner of one of these very special "2x4" Curlies, you can be justly proud.

NOTE: This list shows a total of 70 transfers to happy new owners, and we thank them for purchasing Curlies. In checking back, just a mere 10 years ago, the total transfers of Curlies for the whole year of 1977 was a mere 6 horses! So, we've come a long way!

Saddened to hear of the passing of Susanne Swanson on Feb. 16 at Middletown CA. Word of her death was received from her daughter-in-law, Lola Duenesing. Susanne was a wonderful little lady who helped ABC when we first formed back in 1971, and was one of our first Board members. She loved all animals and she and her husband raised Arabians for many years, but she had a very special spot in her heart for Curlies after acquiring two fillies from Peter Damels. Many will recall the article she wrote about these two mares in the Western Horseman in 1960, long before the Registry started. Your Secretary will always remember how excited she was about Curlies appearing in the Rose Parade for the first time. All animals, and ABC, have lost a very dear friend.

**ABC'S VERY FIRST OFFICERS**

L to R -- Sunny Martin, Sec.-Treas.; Benny Damels, V. P.; Dorothy Fulrath, Registrar; Glen Kugler, Pres.; Susanne Swanson, Board Member. Seated, honored guests, LaRaine and Peter Damels.

**BLOOD TYPING CURLIES BY CS FUND**

ABC is pleased that the blood typing of 200 registered Curlies is now under way by the CS Fund, Freestone, CA. The work is to be done at the University of California, Davis, by Dr. Ann Bowling, expert serologist. The CS Fund has already sent packets out to owners of Curlies to be tested. CS has received a grant to pay for blood typing the 200 horses chosen, which otherwise would cost owners $31 per horse. Neither ABC nor its' I.D. Committee were allowed input into the choosing of the Curlies to be blood typed, so if you did not receive a packet regarding your horses and would still like to be included in this project, you may contact CS Fund, 469 Bohemian Way, Freestone CA 95432, Ph: 707-829-8444. I'm sure all Curly owners will be anxious to hear the results, and we thank CS Fund for their interest in our horses.

**DEADLINE for OCTOBER Newsletter is SEPTEMBER 15!**

**PASADENA ROSE PARADE - 1989**

Once again, ABC has sent in applications to the Rose Parade for our 14-horse unit to participate in this, their Centennial Parade. Parade Chairman, Debbie Drummond, hopes that our past five years of riding in the Rose Parade will help us to be chosen for their 100-year celebration. Competition will be especially tough this year. The suspense comes in having to wait until almost September to hear the good news. So, cross your fingers, everybody!

**THE GHOST TRAIN OF OLD ELY**

As a special attraction this year, Mr. Doug Reynolds, manager of "The Ghost Train of Old Ely", is having our famous engine, old No. 40, fired up for the weekend of our convention so all those attending can take a ride on the old train. Ely is becoming known for its railroad museum, and as having the most complete shortline steam locomotive railroad complex in the U.S. The ride is around 20 miles and folks come from all over to ride on it when it is in operation a few weekends during the summer, so we hope everyone will take advantage of this rare opportunity to ride this 80-year-old train and enjoy its' red plush seats! All Aboard!

**NEVADA NORTHERN RAILWAY'S "GHOST TRAIN" NO. 40**

**"INDIAN" CURLIES OF NORTH DAKOTA**

Must give special mention to two new ABC members in ND. They are Marlin & Maureen Neidhardt of Hebron. They run the Neidhardt Training Stables and Maureen publishes the Rare Breeds Journal. She wrote for info about our Curlies, which she published in her Journal. They must have been impressed with the Curly info, as they traveled to the Standtrock Reservation shortly thereafter and bought 5 good-looking Curlies, all of which are now registered. This part of ND is where the very first authenticated history of Curlies in the USA is recorded, before the year 1800. True! And, thank you, Marlin & Maureen!
Remember, we like to have your input to help us solve problems, or add new dimensions to our ABC Registry. So, if you have any good ideas or complaints - please add them to ABC before June 1, so we can add them to the convention agenda. If you want to be heard, we want to hear from you. Only ideas that are sent in writing will be on the agenda. Don't forget!

**DANIEL CURLEY HORSE ROUNDDUP**

Saturday OCTOBER 1, is the date set for the annual Curly Horse roundup and weaning sale. All activity takes place at Benny Daniel's Bean Flat Corrals between Eureka & Austin NV. The babies are roped, haltered, and loaded to go to new homes of those registered as buyers; however, anyone can join in the excitement - just bring along a little something to add to the potluck lunch held at noon, and by all means bring a camera! See ya' there!

"PEANUT" ADDS ANOTHER REGISTRY TO HIS LIST!

Jay & Pat McKendry, Norman Hill CA were proud to tell ABC know that Jay's Curly/Appy/Half Arabian Gelding, JAY'S CURLY ROY, has been accepted in another Registry, the American Color Breed Registry, making a total of 5, probably the only horse in the USA with this distinction. This striking looking gelding, fondly known as Peanut to everyone has the following numbers tacked onto his name: 1. ABC-19 P 2. ACPH T-210,677 3. TAMA A-1115, 515 4. AEHR-555 5. ACBA-0899

Wow! Remarkable! And, Congratulations, all!

**THOUGHT YOU'D LIKE TO KNOW**

ABC Life Member Capt. Dick Hofstad is now Senior Skipper of the cruise ship Columbia that sails from Seattle to Skagway via the beautiful 1,000 mile inland passage. This 418' ship carries 650 passengers, plus 225 autos, so if you ABC members are planning a cruise to Alaska, book passage on the Columbia. It's always nice to know the Captain! Dick's home base with wife, Shirley and daughter, Lorrie, is Fairbanks CA when not on board.

**CANADA**

Interest in Canada is on the increase, and that is great as our Curlies are perfect for Canadian weather. M/M Kim Bullock, Lethbridge, Alta., visited at the Daniel Ranch to see the Curlies there, then stopped at the ABC office to see Curlies around Ely. They intimated they would be back for our Convention and were definitely going to own some Curlies to enjoy in their retirement.

Too, the Graves brothers, Bill & Ron, also of (Cont'd)

**INDIANA**

Member/Breeder Sandy Hendrickson, husband Tom, and daughter Heidi, leave in March for Russia, where Sandy hopes she can visit Bashkiria and try to buy a Bashkirian Curly to bring home, while Tom competes in an Ice Boat Regatta at Leningrad. Good luck to both!

**KENTUCKY**

Pretty Holly Chase of Lewisburg KY, ABC Life Member and owner of quite a few Curlies, has graduated from High School and is now enrolled in a Modeling School. That's neat, Holly!! Good luck! How about modeling Curlies?

**NEVADA**

ABC members Glenn Terry, McGill, and Sunny Martin, Ely, took in the 4th annual Cowboy Poetry Gathering at Elko the end of January to recite some of their poetry. What FUN!

**NEW JERSEY**

Was sorry to receive word that Life Member Rollie Newman of Sparta had another trip to the hospital in December. Get well wishes were sent from ABC, and we are happy to hear that he is out and about and much better. Stay healthy, Rollie!

**OKLAHOMA**

Carolyn Joy, Member/Breeder of Norman, sent an article from the Buckskin Country magazine, noting that her Curly Stallion, COLONEL'S FISTSY FELLA ABC 203 P is now also registered with the International Buckskin Horse Assoc. (IBHA), the first Curly to be so honored by them. His new number is IBHA T-10943, and he now qualifies to show in Buckskin Classes. Congratulations to them!

**NORTH CAROLINA**

Member/Breeders Herbert & Janis Parks of Greensboro, will be hosting a mini-convention June 24-26 for members in the Eastern States, and it looks like a good time is planned for all with seminars, cookouts, trail ride and all. **WASHINGTON**

Joe Mead, Life Member/Breeder, has been busy double-registering his Buckskin Curlies with the American Buckskin Registry Assocs., and now has half a dozen reg'd. That's great, Joe!

WYOMING --

Members John Billins & Doris Roesch, who run the Open Creek Outfitting at Cody, adopted 5 Curly's from the BLM at Rock Springs WY, and their goal is to have an All-Curlie string on the trails. That'll be a first and a great place for ABC members to go on a trail ride or pack trip as they know they can trust the horses! Our best to them!

WEDDING BELLS !!! --

From South Australia comes word that 12-year member Susan Tugwell, who has practically grown up with ABC, is now Mrs. Bill Pfeiffer. The newlyweds live on a farm at Coolwa, and have horses which they show, mostly in jumping. Congratulations were sent from ABC. Happy trails to you -- and much joy!

And, at Willow Springs, Missouri, on March 26, Member/Breeder Mary Siegrist is being married to Clyde McClellan, a long-time family friend. ABC is most happy for them and a card was sent with our blessings!

HORSES & HORSEMANSHIP by M. E. ENSMINGER PhD --

Dr. Ensminger, President of Agriservices Foundation, Clovis CA, and author of the widely used book, Horses & Horsemanship, is revising and updating his book to be published soon. We are pleased to say that he asked for information and pictures of our breed, which were furnished, so our American Bashkir Curly's will be featured in his new book. Dr. Ensminger has a list of credits that would completely fill this newsletter. He is the author or 19 books, has headed 21 Horse Science Schools and 18 International Stockmen's Schools, so look for our Curly's in his new book. And Thank You, Dr. Ensminger!

CURLY PROMOTION --

In the past couple of months, several displays at Fairs, promoting our ABC horses, have been set up by members. The displays included the ABC slide show, information, banner and pictures. ABC wants to thank Frances Rushing and Dorris McNeil, Flowood MS for their display at the Dixie National Parade & Exhibition; Carolyn Joy, Norman OK for a similar display at the Fair there, The Horse Fair & Expo at Dallas TX, who set up the exhibit themselves; and to Gwenn Leveque, Galena IL for a display at the Midwest Horse Fair which is being held April 15-17.

It all helps promote our horses, and if anyone else would like the show and banner to display let ABC know. We'll be happy to send them to anyone.
