1960 CONVENTION & HORSE SHOW --

Dates for ABC's '69 Convention and Horse Show are: June 15-16-17-18 
The 15th is reserved for Committee and Board meetings, while the actual activities of the Convention & Horse Show start on June 16th. 

REMEMBER THE DATES !!!

THE ABC REGISTRY --

For those newer members and also the folks who are interested enough to write to ABC for info about our horses, we thought you may like to know a little more about the history of ABC.

The Registry was founded at Elly NV in June of 1971 by Sunny Martin, who had purchased her 1st Curly, a 3-year-old stallion she named Curly Q, and quickly fell in love with his outstanding qualities. She managed to get 12 interested people together who were willing to dedicate themselves to saving these remarkable Curlyes from extinction. Included in the group were the Danielle family who had owned Curlyes ever since 1898.

ABC is proud of the role it has played in bringing the Curly horse from complete obscurity and ridicule to a place of prominence in the horse world. It has promoted the Curly Horse from almost certain extinction in the USA to a Class National Horse Show with a $10,000 Roy Clark/Hoof Bond Purse for 1989! It has also promoted these fantastic horses to six straight years of participation in the prestigious Pasadenose Rose Parade with a 14-horse unit; to the Challenge of the Breeds at St. Louis MO. By offering National Awards for Performance, Trail, Youth and Breed Promotion, plus a National Photo Contest, it has encouraged owners to show their Curlyes with pride, with the outcome that they have won many first place honors. The original convention of 12 has grown to 135 people in 1988. Also, sales have soared from 7 in 1978 to 170 in 1988! The semi-annual newsletter, Curly Cues, has kept members informed. Also, thru much research, an information letter, together with the newsletter, has been sent out to tens of thousands of people who have inquired about Curlyes.

Now, ABC has a new office, a permanent "home" complete with room for a museum and gift shop, a house and two acres of ground. The number of registered red horses has grown to 785, and this year our membership topped 400 for the 1st time! We are very proud of these accomplishments and of the members who have helped us to grow, and the support of our officers. Still, all of the paper work has to be done by a work force of two, your Secretary/Treasurer, both of whom have worked without salary all these years because of their pure love for our wonderful Curly horses. We do hope our loyal members and breeders will continue to support our efforts in behalf of the Curlyes! THANK YOU!!!

WATCH US GROW !!!

Registrar Debbie Mitchell reminds everyone that "GREEN CERTIFICATES" with accompanying pictures of coming 2-year-olds will be due January 1st!

THOUGHT YOU’D LIKE TO KNOW --

INDIANA --

At Indianapolis -- Sandra Hendrickson tells us the her Stallion, Spartacus ABC-237, has now graduated to 1st Level Dressage and must earn points in shoes outside of the State, competing against expensive imported Warmbloods. In his 1st show this season "Sparky", on May 27th, earned 4th place in a class of 9, Test #21, to receive 157.09 points, then came back in Test #2 to take 1st place with 160.01. 1st Level calls for 155 points or better at 3 different shows, so Sparky is well on his way. ABC is sponsoring a Breed Award in Dressage that he is working for. And no wonder Sandra is so proud of him! So are WE!

At Sunman -- Linda has informed us that Strickland Farm has initiated an annual Futurity for ABC registered stallions, their current stallions, The Red Baron ABC-227 or Ka-Xan ABX-194, that accumulate the most show points each year. The award is $100 to the owner, who must also be a member is ABC in good standing. We commend Linda for this special promotion. If your horse qualifies, check with her. Her address and phone are in the Breeders' list. THANKS MUCH, LINDA!!

IT'S OFF TO THE ROSE PARADE AGAIN!!!

ABC is particularly proud to have been invited to participate in the 1989 Pasadena Rose Parade, as this is their Centennial year, which makes it very special. Of course, having been invited six years in a row is super special! Our ABC group -- the "Good Guys in the White Hats" are:

From CALIFORNIA -- Mel Blue, Litchfield on Mel's Li' 1 Chip #173; Sam Borjes, So. Lake Tahoe & Queen Ruby #631; Manuel Garcia, Hanford; & Bucephalee #181; Lorrie Hofstad, Fallbrook & Del J #142; Pat McKendry, Morzar Hill, & Jay's Curly Boy #19; Marilyn Orlando, Morzar Hill & Pats Diamond Chip #33.

From KENTUCKY -- Holly Chase, Lewisburg, riding Sunshine Tzar-Xan #262.

From NEVADA -- Norman Dills (Marshall), Winnemucca & Curly Clown #145; Dayle Johnson, Ely, & Nava Joe #396; Sunny Martin, Ely, & Pello Cheo #18; Debbie Mitchell, McGill, & Billy Boy D #741.

Watch for them on New Year's Day! And let's all give a hand to Debbie Drummond and Berni Garcia, who have done the 'behind-the-scenes' work for our riders. THANK YOU BOTH!!

NOTE: Because members who ride cannot go every year, each year it is necessary to get several new riders -- so, if you would like to have the thrill of riding in the Rose Parade, let ABC know. We shall again put in our application for consideration; however, to be a part of our group, you must get an 8 x 10 color picture of your horse in full curl this winter, and you must be dressed in the costume ABC has chosen for the Parade. This year it is Navy blue Western dress pants with matching vest, white Western dress shirt with red gambler-type tie, Western white felt hat, Western boots, saddle and bridle (no tie-downs or breast collars) white saddle pad. Pictures and applications have to be sent in May, so you must get your picture and outfit together this winter, and let ABC know. CK?

HCCF BOND ADVERTISES CURLIES!!

The beautiful ad on the following page (11) was put together by HCCF BOND, Inc., 614 Main St., Hyannis MA 02601. It shows the R.C. CLARK HCCF BOND winners at our ABC Horse Show, each of which received a $500 check and Worner's Certificate presented by Mr. David Sigler, Owner & Pres., of the company. The photos were taken by Bud & Kathy Scott of Pretty Pictures, Ely NV, and the ad in full color, was placed in 11 horse magazines -- count 'em -- Horse Illustrated, Southern Horseman, Horse Country, Southeastern Cuser, Palomino Horse, Equine News West, American Horse Exchange, Dressage & C T, Arabian Horse Country, Performance Horse Journal and Horse World USA. What advertising this is for our Curlies!!! Both DAVE SIGLER and BILL HORSEY of Garland TX, who came to check the horses' Hooves, were very impressed with our Curlies' good feet, and naturally we were very happy that we had a 100% HCCF BOND SHOW! Your Secretary has run out of ways to thank Dave Sigler for everything he has done for our Curlies, but perhaps some of you members can think of a way and drop him a line. Am sure he would appreciate it. THANKS!!

1990 ABC ROY CLARK/HCCF BOND $10,000 SHOW!!

With a $10,000 ROY CLARK/HCCF BOND PURSE AWARD it is expected that entries for our 1989 Horse Show will be larger than ever, and as the show has been set up as a 2-day event --

Anyone who expects to enter ABC's 1990 Horse Show and be eligible to win a share of the ROY CLARK HCCF BOND Purse is urged to send for the HCCF BOND Entry forms right away, as they must be sent to HCCF BOND 60 days in advance of the show. ABC has the entry forms on hand now. Also, we would like to have the name of the HCCF BOND retailer in your area as we must furnish them with the names of five outlets.

URGENT!!! WOULD YOU LIKE TO BE AN ABC OFFICER?

ABC will be electing officers by ballot in 1989, so it is necessary that anyone wishing to run for office send in their qualifications to ABC before the deadline of FEBRUARY 1, 1989. The officers do not pay salaries and the requirements include: ABC member for at least three (3) years, currently paid; own one or more Curlies; have a definite commitment to promoting ABC Curlies. Also, note the office you wish to run for. Your resume should particularly include your life involvement with horses and how you intend to use this experience to promote ABC horses.

As ABC now has a permanent office, and since the workload has a home, it is becoming increasingly necessary to find the means to hire help. Any suggestions will be appreciated. The extra office work will not have to be elected.

Ballots will be sent out May 1, for return by June 1, to all current paid ABC members, and final count made at the 1989 Convention.

ABC PUBLIC RELATIONS REPRESENTATIVES --

ABC would like to have P/R Representatives in the various district of the USA and Canada, who would like to promote Curlies in their respective areas. If interested, and we hope you are, please send your name and qualifications to ABC by Dec. 31st, 1988. The areas are:

ALASKA -- All
CALIFORNIA -- All
CANADA -- All
HAWAII -- All
SOUTHWEST -- Nevada, Utah, Arizona, Colorado, New Mexico.
NORTH CENTRAL -- North Dakota, South Dakota, Nebraska, Minnesota, Iowa.
SOUTH CENTRAL -- Kansas, Oklahoma, Texas, Missouri, Arkansas, Louisiana.

NORTHEAST -- Wisconsin, Illinois, Michigan, Indiana, Kentucky, Tennessee, Ohio.
SOUTHEAST -- Mississippi, Alabama, Georgia, Florida, North Carolina, South Carolina.

F/R persons could help others in their area with newspaper and magazine articles, show classes for regional champions, be an area representative to the convention, and help with charters as the number of horses and members grow.

WORLD'S RAREST HORSES ??? Could BE !!!

What most possibly is the rarest set of equine twins ever -- this cute duo of CURLY fillies, shown at 4 days old. We are sure owner Jerry Utan, Northfield MN, must be very proud of them. They are sired by Elmer Johnson's CCL'S BAY BLAZE ABC-277 (Stacy MN) and out of Mr. Utan's TW mare. The smaller of the two, on the left with the blaze, is chestnut like her dam, while the huskier fillv on the right favors her bay sire. Both are doing fine, we are happy to report. Congratulations, Jerry! How EXCITING!!!

This is the only show held in the East with approval from ABC, and national points will be given to the horses entered.

A reminder to those promoting All-Curly Classes that they must request approval from ABC. The request must be made by the show officials, and forms will be sent. It must be done in time so that the classes can be listed with the rest of the show's classes. ABC is anxious to have more approved classes for our horses.

GLENN TERRY -- Cowboy, Poet, Entertainer and Teacher all rolled into one -- shown reciting some of his and other cowboy poems as he entertained the folks at ABC's annual Awards Banquet. Glenn has also recited his own poems at the Elko Cowboy Poetry Gathering, and has made quite a name for himself. He and his wife, Virginia, also a teacher, own Curlies from which she gets the hair to spin and weave. Their Curlies are kept at the Kinney Ranch near Ely, where Glenn cowboys during his "spare" time. He also managed to find time to chair both the Convention and Horse Show for ABC in 1988. WE DO APPRECIATE THE TERRYS.

A B C'S NEW HOME --

Here is a pic of ABC's new headquarters at Ely, complete with 14' x 16' office and 16' x 30' museum and gift shop space. It is situated on HWY 50 & 93, giving it an ideal location for tourist travel. There are two acres of ground, and an attached 5-room home. The land and living quarters have been donated to ABC by Sunny Martini, founder of the Registry. The $24,000 structure was funded by a 10-year note, and the $7,600 generously donated by ABC members reduced the loan to a little over $20,000. ABC's very successful raffle helped.

MEMBERSHIP MAILING LIST CONTROVERSY

In 1985, a small group of ABC members broached the subject of a complete membership mailing list, with addresses and telephone numbers. The motion was voted down. This year, the subject was surfaced, and as a result the Board agreed to have boxed on the membership application so folks could say "Yes" or "No" to being on a membership list. It is doubted if those who are insisting on the list realize what a burdensome thing this could be in the future as the membership grows. In checking with the major Registries, it was found that none of them give out complete membership rosters. They carnally have more background on these matters than ABC, so feel that we should follow their lead. All new members have always been listed in Curly Cues, so folks would know if someone joined ABC in their area so they could contact them, which is a service few groups offer.

However, the boxes are at the bottom of the membership application below, so you can check your preference and return to ABC.

It must be noted that if the list is compiled, there would be a charge to anyone wanting it.

This gorgeous and delicate 110-year-old carriage, made in England, was brought to our ABC Horse Show from So. Lake Tahoe CA by owners Sam & Rosie Borges. Beautifully appointed and looking like new with its black lacquered body and red velvet seats, it certainly did add a touch of class to the show, and looked ready for a royal occasion. And royalty it had, being pulled by a "Queen"—Queen Ruby AG-631, owned by the Borges. Ruby's loveable disposition and curiously gentle nature makes her a favorite among the folks who ride with her and her team around the Tahoe area, and in winter, you can find Sam & Rosie up the next town with a Royal Ride, with the Queen! Our special "THANKS" to you, Sam & Rosie! It was SUPER!
