You will love Ely's beautiful mountains, clean air, sunshine and cool nights. Remember, the altitude is 6500' so bring a jacket for evenings. Reservation sheets, motel lists and horse show entries will be sent out early in May, so watch for them.

Curly Dancer ABC-851. It's that time of year again, and foals like this adorable filly with the proud carriage and soft eyes, so typical of Curlies, will be gladdening the hearts of owners all over the country. She is owned by ABC's V. P. Jim Howard, Owensboro KY. Gorgeous!!

TWINS AG’IN’ !!  

Unbelievably, another set of Curly twin fillies has been recorded! They were born June 11 & 12, at Sequim WA, to Joe Mead’s Curly mare, My Surprise ABC-121-P. She really did give Joe a surprise!! Their sire is Yellow Jacket ABC-522, ABRA T-7044. The Buckskin beauties are almost identical twins named Surprise Packet ABC-758 and Betsy Lou ABC-772. The fact that the fillies were twins was not immediately noticed at the ABC office since they were born one day apart and their papers sent in separately. Happy to report they are doing great and am sure Joe is very proud of them as buckskin is his favorite color. 

ABC’s other set of twins is now registered, too. They are Blaze’s Golden Lady ABC-824 and Blaze’s Golden Bay ABC-825, and are owned by Larry & Jeri Hoban, Northfield MN. They, too, are doing fine!  

The high incidence of twins in our Curlies is another unusual trait in our breed. In checking back, ABC found several other sets of twins. In Alaska, Donna Myers’ stallion, Nevada O Chip ABC-109, sired twins born to an Appy mare. Unfortunately, the mare was turned out with a gelding that killed both of them. Too, Black Velvet ABC-319, now owned by Linda White, Raphine VA, gave birth to twin mules, one of which was Curly, while she was still owned by Forrest Pry of Idaho. Then, a HLM Curly mare owned by Dayle Johnson, Ely NV, foaled twins, though only one lived.  

With only a couple of hundred mares of breeding age registered with ABC, this incidence of twins is phenomenal, since the odds usually are astronomical!! Could it be that Mother Nature does this because of the fact that Curly mares usually give enough milk to feed two babies? A real riddle!!!

PATS DIAMOND CHIP - ABC P-33 --

This 2-year-old ABC stallion is owned by Pat McKendry, Morgan Hill CA. He has excellent ABC type -- proud carriage, calm eye, small nostril, powerful shoulder with good slope, short back, full quarter, strong hock, stout cannon, flat knee, and overall balance. All this, plus intelligence, super sweet disposition, all-around ability coupled with strength and endurance, plus a gorgeous curly coat and cold-weather survivability. "Chip" is the prototype of the Curly breed we are trying to preserve, without Quarter Horse or Thoroughbred blood. Keep him in mind!!

CONGRATULATIONS, ALL !!! We are so proud of the record our Curlies have made in competition !!!
Again, we doff our Stetson to Corine Mead and her consistently winning brown gelding, Q-CARD ABC-35. This pair has amassed an unbelievable number of points in the show arena, and even on the trails, for a number of years. And we just have to brag about Joey Sampson and her Curly sorrel gelding Sans of Time ABC-632. At one show this pair entered 10 events and -- hold onto your hats -- won 9 of the classes and placed 2nd in the other!!! How many breeds can claim that?
Besides the Champions listed, we also give credit to our Reserve Champion Horses for 1988:
Performance: SHOSHONE D ABC F-172, owned by Benny Damele, Austin NV and shown by Carrie Eddy.
Trail:
Q-CARD ABC P-35, owned & ridden by Corine Mead, Sequim WA
Half-Bashkir Performance: FOGO’S IMAGE APC S-76
Owned & shown by Corine Mead.

Each year more and more Curlies are entering competition and are making an enviable record! If you want to have fun with your Curlies try it!!!

ROSE PARADE -- 1990 --

ABC is again putting in application to ride in the coming New Year's Day Rose Parade and applications have been sent out to members indicating they will ride. As it is not possible for the same riders to go every year, we are always in need of a few new riders each year, so if you would like to ride with us in the Rose Parade, let us know as we have to look a year ahead to allow new applicants to get their parade outfit and picture ready. One never knows if they'll be chosen, but having been selected 6 years in a row indicates they like our Curlies! Smile!

Members who rode in the Centennial Parade this year may be disappointed that we have not been able to get pictures for them. They did send a picture, but it was not ours, so it was returned and they cannot seem to find one for us. To those who have not had the thrill of riding in the Pasadena Rose Parade, there are other good times had, too. Everyone gets together one night to have a group dinner at a fine dinner house close to the motel where everyone stays, called the Pomona Valley Mining Co. Also, the Tournament puts on a great party for all riders in the parade with all the food & drink you want. Come, join the fun!!!

CURLIES ARE SELLING !!! And that makes for more happy horse owners! From 1971 thru 1979, ABC recorded just 17 sales, and in 1980 alone we have handled 204 transfers, so we must be growing. The word must be getting out about just how good our very special breed is! Good!

NOTICE !!! -- If you own a BLM Curly or or one registered in a Registry other than ABC, your application for registration with ABC must include a copy of the Certificate of Title for your BLM horse, or copies of Registration Certificates from other breed registries listed on your ABC application. Also, if the dates on a foal certificate have expired, return immediately to ABC with current Curly pix, so I can send you a beautiful painted adult certificate. There is no charge!!! So, PLEASE CHECK!!! --- Debbie Mitchell, Registrar

THOUGHT YOU'D LIKE TO KNOW——

CANADIAN CURLY EXHIBIT A WINNER !!

ABC Youth Award winner, Miss Joey Sampson, of Mt. Uniacke, Nova Scotia, Canada, was proud to let ABC know that her Curly Horse exhibit won 1st place out of over 100 entries in the local science fair exhibit. The win permitted her to enter the Provincial Science competition held at Truro, N.S. Again, her exhibit took 1st place, with many nice prizes, and she is now eligible for the National competition to be held at St. Johns, Newfoundland on May 9. Besides displaying her trophies, ribbons, pictures, information letters and ABC newsletters, Joey provided a microscope so folks could see the difference between Curly horse hair and that of horses with straight. The judges at Truro were overwhelmed at Joey's exhibit as they had neither seen or heard of a Curly before. So, let's all root for Joey at the Canadian Nationals! Rah!

LEE DRUMMOND & FAMILY MOVE

ABC life member Lee Drummond, for many years Chief of Police at Hanford CA, recently accepted a similar position at Oceanside CA, a much larger city and a definite step up in the world for him. Lee is an expert in law enforcement having cut the Hanford crime rate in half while there and is in hopes of doing the same at Oceanside. Wife Debbie and daughter Debby Lee will join him soon. Of course, there is the little matter of selling their home and acreage at Hanford. And they will be moving their Curls with them. Lee & Debbie have ridden in the Rose Parade for a number of years with ABC, and also shown their Curls, Bucephalee ABC-181 and Kostia Galliano ABC-105 at ABC's All-Curly Horse Show. CONGRATULATIONS, LEE !! and -- GO GET 'EM !!!

A CURLY BRONZE !! Another First !!

John Gilliam, sculptor and owner of Bear Paw Studios, Lenore ID, has just finished a bronze of Linda Strickland's curly foal, RUFFEN RED DEE (shown with the Photo Contest Pix) ABC-737. The finished work is approximately 14" x 16", and is being cast in a limited edition of 30. We're so excited about it as John is an excellent sculptor. He and his family will be at our Convention in June to show off this new piece, plus several of his other works, and we can't wait to see it! THANK YOU, JOHN !!!!

ALL-CURLY SHOW CLASS APPROVALS

Again, ABC must remind contestants that enter All-Curly Classes that have not been approved by ABC they will not receive points toward year-end awards. All-Curly Classes should not be held without first getting approval from ABC. All Registries require this.

LARAINA DAMELE DIES FEBRUARY 10, '89

We were very saddened to hear of the death of Mrs. LaRaine (Peter L.) Damele of Austin NV. She was a dear little lady and a joy to know and will surely be sorely missed by her many friends and relatives.

LaRaine was born Aug. 27, 1904 at Ogden UT to John and Cora Glenn. After attending the local schools she went on to college at Pocatello ID and Madison WI to earn a teaching degree. Like many other young ladies at the time, she accepted a position teaching at a country school, which just happened to be at the 3-Bar Ranch near Eureka NV. There she met Peter L. Damele and they were married on July 24, '26. LaRaine gave up teaching to become a ranch wife, and the couple moved to the Dry Creek Ranch near Austin NV. They became the parents of two sons, Peter J. and Bernard G. (Benny).

Son Peter J. lost his life in 1971 and Peter L. died in 1981. Both were devotees of Curly horses which are still being raised by son Benny at the Dry Creek Ranch.

Services for LaRaine were held at St. Brennan's Church, Eureka NV, with Father Bohenski officiating. Flowers were sent from ABC. Sunny Martin and Nancy Meadows both of Ely, attended the services. A sad day ——— EASTER & WESTERN STATES CURLY NEWSLETTERS

ABC is pleased that two ladies have been interested enough in Curls to put out monthly newsletters. The Eastern States Curly News is published by Linda Strickland, Sunman IN, and the Western States Curly Newsletter by Patricia Cook of Oroville WA. Both ladies are members of ABC; however, in order to clear up some confusion, subscriptions to either newsletter does not automatically give a person membership in the ABC Registry. The ABC Registry is not affiliated in any way with either newsletter, does not have direct input into the articles published and their content does not necessarily reflect the intent, aims and purpose of the ABC Registry. Just thought you should know. ABC does want to thank these ladies for their hard work. It ain't easy ——— STALLION ROW PICTURES

The pix exhibited in Stallion Row yearly at the Convention create much interest -- so, if ABC does not already have good, well-posed 8 x 10 color photo of your stallion, please send one to display. It would be to your advantage as many people get to see these pictures. THANX!!
TRAINING TIP FOR CURLY OWNERS --

While reaing through the October '88 Horse Digest, an item in an article by Margie Jenkins brought out an interesting note about the Russian Akhal Teke breed that fits our Bashkir Curly breeds to a "T". She noted "The heavy handed horseman should be cautioned". The Akhal Teke will not tolerate rough handling -- don't even let it cross your mind. The Akhal Teke is extremely aware. He has an extra-ordinary memory and is unforgiving. He may even refuse to work if he feels that he has been treated unnecessarily unfairly with punishment he did not deserve". Sound familiar? Our Curly's have the very same traits. Curly's do not like to be longed and also resent repetition. They are eager to please as soon as they have confidence in you, but insist on being loved and love to have one talk to them. You'll be surprised at just how much they understand when you explain to them what you are attempting to do. Highly intelligent, Curly's like to be treated as such, so give them a chance to figure things out for themselves. You will be much more successful in training them! Good luck!

ABC/hoOF BOND $10,000 BONUS AWARD HORSE SHOW --

The HOOF BOND Co. of Hyannis MA has given our All-Curly Horse Show being held at Ely June 16 & 17 a National rating, which means it qualifies for a $10,000 Bonus Award being offered by their company. Too, David Sigler, owner of Hoof Bond, has indicated he will be attending our show again and bringing a crew to photograph it for TV! How about that?

Eligibility for the $10,000 pure requires that ABC members, especially those showing their horses, furnish Hoof Bond with the names of five retailers who will order a standard display of Hoof Bond. The order consists of 24 units of 4 oz. and 48 units of 1/2 oz. Hoof Bond. The order can be shipped either from Hoof Bond, Inc., 724 Main St., Hyannis MA 02601, Ph: 1-800-468-4663, or from members/breeder Carla Krukenberg, 9711 - 106th Ave, Taylor Ridge IL 62124, Ph: 309-798-2490. HORSE SHOW HOOF BOND ENTRY BLANKS --

ABC now has on hand new style Hoof Bond entry blanks and will be sending them out to all who participated in the show last year and those who have indicated they will be showing this year. And remember that a proof of purchase must accompany the entry, plus the front of the box that has the words HOOF BOND -- EQUINE. And, as previously required, your horses must have no shoes, no sign of nail holes, and be bonded with Hoof Bond. Don't forget!

The trophies are made with mini Australian Stock Saddles, and will be awarded to the High-Point Performance Champion and the Reserve Champion horses at our 1989 Show. This is the second year Mr. Dangaard has contributed prizes for our Show. And, for the first time, Australian Stock Saddles have been approved for use at our Show. SOMETHING NEW!! -- AUCTION SLATED FOR ABC!! --

To add to ABC’s Building Fund and make the payments on our new building and to help with expenses, there will be an AUCTION held this year at the Convention. It should be fun -- and exciting, as well as doing good!!

Items donated for sealed bids are:

1. 3-yr-Old Sorrel Curly Gelding, Jasper ABC-513, donated by Joe Mead, Sequim WA. He is gentle, leads, loads, and ready to be trained. A great prospect for kids, especially 4-Hers. Value $1,000 plus.

2. New Zealand Lamb Car Coat, donated by Sunny Martin, Ely NV. Size 16/16, brown, leather trim, looks like it was made from a Curly! Value $500 up.

3. Original painting of a Curly, donated by Debbie Mitchell, McGill NV and painted by her. Debbie is ABC’s Registrar and has won many Grand Champ & Reserve Champ awards for her paintings. Value $250 plus.

Anyone is eligible to send sealed bids on one, or all, of the above items to ABC before June 15. INDIVIDUAL BIDS are to be made on each item and enclosed in separate envelopes, each of which should be clearly marked on the outside “ABC Auction -- Item #___”. Those coming to the convention may turn in sealed bids on the items up until the time of the auction, when all bids will be opened and recorded.

READ ON --

There will also be an open auction held in conjunction with the closed auction. This will be for any items our members would care to donate to the cause. If you are attending the convention, you may bring the items with you. If not coming, you may mail them to ABC.

Remember, ABC now owns a nice office building and two acres of ground, plus a 5-room house. The house and acreage was donated to ABC by Sunny Martin, but the office building must be paid for. Your officers, especially the secretary and registrar, have worked for many years without salary to help you and your horses. We have now come up with a way you can help, too.

Donate items you think will be good items to add to the auction -- no matter what the value or how large or small. You don't even have to be an ABC member to donate something, just desire to help ABC promote our wonderful Curlies. Let's hear from you -- and make this auction fun and exciting. We hope PLEASEis the magic word!!

CURLY HORSE EXHIBITORS

Recently, there has been a flurry of inquiries for help with Curly exhibits at Fair, etc. As a service to members, ABC was happy to help. A packet consisting information letters, Curly Cues newsletters, ABC banner and Slide Show, a collection of excellent color pictures of Curlies, and a video of our horses in the Rose Parade, have been sent to the following:

Feb. 15 -- Frances Rushing, Flowood MS, exhibiting at the Dixie Nat’l Festival
Mar. 15 -- Carolyn Joy, Noeman OK, County 4-H exhibit.
April 6 -- April Manar, Kearney MO, showing at their local Fair
Apr. 15 -- Gwen Leveque, Galena IL, who along with Gerry & Beth Pelishek and Bob and Candida Keigh, will be showing their horses at the Midwest Horse Fair, Madison WI
Apr. 29 -- Joyce Giuliani, Vulcan MI, who will be exhibiting at the Upper Peninsula Horse Fair
MAY 8 -- Betty Confer, Pittsfield PA, who will be doing a 4-H Demo
May 9 -- Joey Sampson, Mt. Uniacke, N. S., Canada, who is exhibiting her prize-winning Curly Horse display at the Canadian National Show at St. Johns, Newfoundland.

ABC APPRECIATES YOU ALL AND YOUR EFFORTS TO PROMOTE CURLIES!!! HAVE FUN & GOOD LUCK!!!

SUNSHINE SCHIANNE ABC-193, owned by Holly Chase, Lewisburg KY, shows a Curly Mom's disgust at having a straight-haired baby -- CUTE!!!
ABC is still accepting nominations for Officers and Board Members. A full slate of Officers is up for election -- President, Vice-President, Secretary, Treasurer, Registrar, plus two Senior Board Members, a Junior Girl Board Member and a Junior Boy Board Member. If any member would like to run for office, or knows of someone they would like to see run for office, there is still time to send in names, but hurry! Nominations must be sent in by May 1, so ballots can be made up and sent out to all current paid members, to be counted at the June Convention.

A short resume is required with the name. ABC is especially interested in knowing about a person's involvement with horses, especially Curly horses, and how they expect to use their knowledge to help promote the Registry and Curly horses.

LET US HEAR FROM YOU !!!

WE GET POEMS --

Folks are waxing poetic about Curly horses, and here is the latest, written by Erica Berg:

**CURLY-HAIRED HORSES**

Have you ever seen a Curly-haired horse -
Curly-haired horse - Curly-haired horse?
They come in all colors but aren't very big
And look like they wear an oversized wig.
Don't grab their mane 'cause it falls right out
Before you can let out a big shout!
In winter their hair can be five inches long,
Which you might think is rather wrong.
But they're really quite calm and sweet
Even tho' they are strange to meet.
But still they're just a Curly-haired horse -
a Curly-haired horse - a Curly-haired horse!

ON THE MOVE --

A number of our Curly Horse folk have moved recently. Among them are --

Randy & Leslie Fisher, who have recently purchased eleven head of Curly horses and have moved from Camoga Park CA to their 140-acre farm at Bloomingleaf NV, where they plan to breed Curly horses.

**SPARTACUS** ABC-237, Curly Pinto Stallion, owned by Sandy Hendrickson, Indianapolis IN, who has been adding to his winning ways in Dressage Competition. This beautiful stallion started his winning ways as a foal in coat and showmanship while still belonging to Michelle Couch, Henderson NV. Good Luck this year, Sandy!

FIRST NEW YEAR BABY OF 1989

This brand new baby, a Buckskin Appy Colt, sired by Yellow Jacket ABC-522, ABRA T-7044 x Mead's Blossom, is the first foal registered for 1989. His name is The Yellow Horror and his registration No. is 878. He's sure a sturdy colt and beautifully marked. He is owned by Joe Mead of Sequim WA. Congratulations, Joe, and Thanks!
**SITTING PRETTY!!!** Shiloh's Bronco Billy ABC-627, owned by Dale Woolley (shown) of Hastings MI, has loved to sit on folks' laps ever since he was born. He is getting to be a big boy now, but would still sit on a lap if he could find one big enough. Curlies are always thinking of ways to make folks smile and make life a little more interesting! Cute!
