Hello again! It is February and time to renew your membership. Without doing so, this could be your last issue of the Cues. The membership application form appears on Page 12.

The month of December brought record-breaking snowfall in Kentucky. I guess the water fairy was trying to catch up for the many months of dry weather. The green Kentucky landscape was quite brown by summer’s end.

You will have noticed that the office has moved from Walton, Kentucky, to a new address in Florence. The office is small but provides everything we need to get the work done. We hired a young woman named Samantha. She is a college student and she works around her school schedule, 20 hours a week. If she is not there to answer the phone, you can leave a message and someone will generally respond in 24-48 hours.

Samantha has managed to create a registration certificate with the horse’s image. Because we want the certificate to look nice, it is extremely important that the pictures submitted be clear of other horses or objects, and that the horse is clean. If you want your horse’s certificate re-made with your horse’s picture, please send the original certificate, new pictures, and a check for $15.00/certificate. If you want the original certificate returned for old time’s sake, please let Samantha know. It will be marked as non-transferrable.

We have hired a professional to provide web services and to generate the Curly Cues. Ads for the Cues should be emailed directly to Heather at the.write.type@sympatico.ca. Please send payment to the office or via Pay Pal. Ads will not be published without payment. Your help with this policy is appreciated.

If there is anything else we should be doing or you would like to see done, please do not hesitate to contact me or your District Representative.

Best wishes for a prosperous New Year and may all your foals be born curly!

Respectfully yours,

Melinda Martino
Zeke Davidson – An Early Curly Rider

Curly horse lore is full of cowboys … some of them Hollywood Cowboys
Zeke Davidson was one of the most memorable. Zeke was discovered in 1973 in Texas. As he recounted, “I was visiting and hunting in San Marcos, Texas. We were guests of my brother-in-law, Bill Toler, at the Holiday Inn. I was in the restaurant when a young, pretty, red-haired lady approached my table. She introduced herself as Shari Rhodes, casting director for a movie that was being filmed in that area. Shari told me the following morning I was going to be in a movie, The Great Waldo Pepper, starring Robert Redford.

After appearing as an extra, Robert “Zeke” Davidson got casting calls for lots of movies. However, he and his son-in-law had a successful real estate business to run, so Zeke limited his career to calls when he could get the time off work. Working with his wife, they appeared as extras in Jaws 2, Mississippi Burning, The Starman, Urban Cowboy, and Bad News Bears Breaking Training. Zeke earned his Screen Acting Guild card with a speaking role in Close Encounters of the Third Kind. While filming Close Encounters, Zeke was telling fellow cast members about a real close encounter he and Myra had back on their ranch. Steven Spielberg asked him to recount the story on film, resulting in a speaking role and much higher pay. Zeke, a Born Again Christian, turned down a role in The Best Little Whore House in Texas. Zeke had standards. Zeke also appeared in Silverado and Rollercoaster. He had a 13-week contract for Silverado. Badly injured filming Mississippi Burning when a fight scene got a bit too realistic, Zeke was sidelined for a few years.

Continued next page.....
Myra eventually got work as an Assistant Casting Director, screening thousands of people for potential movie roles. Packages would arrive every day in the mail with photos and resumes from unknowns who want to get into movies. Once, in Lexington, Kentucky, she was screening college students. One of them, despite the earrings in her nose and lip, seemed promising at the reading, so Myra sent her on to Shari. Although she got turned down for the role, the student, Ashley Judd, has done well since.

In the early 1970s, Zeke, as he turned 50, became interested in horses. He believes firmly that you are never too old to do what you really want to do. With Myra, he started showing horses and, in two years (1974 and 1975), won over 100 trophies.

The Davidsons showed Curly horses. 'Midnight Don' won National Performance Horse in 1975. Based in Illinois, they were pioneers east of the Mississippi in promoting the Curly horse. Zeke won national championships in 1975 and 1976, and was featured in the Western Horseman magazine. He was also invited to ride in the Rose Bowl parade but declined because he did not want to trailer his horse that far. Zeke recalled at the time, "We attended the American Bashkir Curly Horse Convention in Ely, Nevada, to accept the award. At that time, I was elected a Director of the Registry. At present, I am the only director east of the Rocky Mountains."

Zeke passed away at the age of 80 in 2003. He was a member of the First Baptist Church in Anna, Illinois, a graduate of University High School in Carbondale, Illinois, and attended Southern Illinois University on a basketball scholarship. He was a veteran of World War II, having served in the Army Air Corps. Zeke loved horses.

Top O’ The Hill Farm ~ Springfield, Vermont
July 21-24, 2011

Top O’ The Hill Farm is pleased to host the American Bashkir Curly Convention for 2011. This is an exciting event for the New England area. RUNNING FOR BOARD OF TRUSTEES

Any adult member in good standing and willing to attend the yearly conventions may run for Board of Trustees. This is a three-year term of office in which you will serve on Registry committees and attend board meetings. Send your resume to the office by APRIL 15, 2011. There will be one member at large and three districts up for election each year. Start thinking now about running for the board.

POLICY FOR LATE ADS

Advertisers whose ads arrive after the deadline may choose to either wait until the next issue to print their ads and have them posted to the website OR pay an additional $10 fee to have them posted to the website shortly after we receive them. Those ads will then be printed in the next Curly Cues and continue for another 90 days on the website at no additional cost, as long as there are no changes.
