Melinda’s Corner

To shed or not to shed...that is the question. Spring has sprung and summer-like temperatures have caused my horses a dilemma. I can’t remember a time when my horses have shed their warm winter coat before April 1st. I have a few that are nearly naked. The grass is deep where the horses are not, but it’s too wet to cut. What’s a horse owner to do, but close the gates and turn them loose, of course! The warm weather has also brought some severe weather. The tornado that ripped through my tiny rural community of Piner, Kentucky, on March 2nd was indiscriminate, taking homes and barns, and the people, horses, cattle and dogs that lived within them. The devastation was only a mile from my home where I didn’t lose a branch from a single tree. I am grateful!

In this last issue of the Curly Cues, you will find election and Convention information. High Desert Equine Center, managed by Sue Davis and owned by Ron and Joan Olson, has planned a fantastic time for us. If you haven’t planned a family vacation, this would be an excellent opportunity to explore Reno and the outlying area.

If you know of anyone who has not renewed their membership, please remind them that the new format of the Cues in the Equine Journal begins in June with those who joined prior to April 15th. Anyone joining after this date will begin receiving their subscription in July. As for our international members, we will be posting the information on the website and mailing those pages quarterly to you. Please check the website for information regarding advertising your stallions and sale horses. International members are eligible for free advertising on the website.

Have you seen the new website? Caren Schumann has done an outstanding job, making it possible for you to fill out forms and pay via credit card or PayPal or, if you prefer to use a check, you can print out the form and mail it to the office. Angie Gaines has coordinated an online auction as a fundraiser. Please take the time to create a login and look around.

I hope to see all of you in Reno on August 16th!

Respectfully yours,
Melinda Martino, President

August 16 to 18, 2012

High Desert Equine Center of Reno, Nevada is proud to host the 2012 ABCR National Convention. We are the biggest breeders of Curlyies in Nevada with Foundation bloodlines. We look forward to meeting and greeting fellow breeders and members.

Reno, with its beautiful Riverwalk District, downtown whitewater kayak park, popular events and easy access to unlimited outdoor adventure, has come a long way from its mid-1800 beginning. Originally a small community known as Lakes Crossing that popped up to serve westward travelers, the town enjoyed growth from railroad expansions and legalized gambling. Within an hour’s drive of town there are 18 ski resorts, the picturesque state capital, historic Virginia City, numerous golf resorts, scenic Pyramid Lake and the truly spectacular Lake Tahoe.

Reno-Tahoe International Airport (RNO) welcomes all the major carriers from around the U.S. each day, with many nonstops and arrival times to select from. Go to www.visitrenoatuhoe.com or www.renoairport.com for more info on the area and flights. The telephone number for the airport is (775)328-6400.

For drivers, Reno is located at the junction of Interstate 80 and U.S. 395. It’s an easy and scenic drive from most of the 11 western states. I-80 provides access via Donner Summit from central and northern California. From Southern California, it’s a straight shot up U.S. 395 along the dramatic eastern front of the Sierra Nevada. From the Northwest, take I-5 south to I-80, or opt for the scenic shortcut that leaves Mount Shasta and follows California 89 and 44 southeast through Susanville. Fellow Registry Members,

I am running for the Board position of District 1. I feel that I have represented the Registry proudly and reliably in the last three years that I have held this seat. As a breeder, I am working towards improvement of the breed, and love to promote the Curly Horse in many different venues. CANDIDATE STATEMENT FOR DISTRICT 7:

Melinda Martino
2347 Hempfling Road
Morning View KY 41063
Website: www.melscurlyhorses@aol.com

Dear Members,

I wish to announce my intent to run for the position of District 7 Trustee. I have held this position for several years. I have served the Registry in the capacity of Vice President and currently hold the office of President. I think we are on the right path and wish to continue to work on your behalf. We have had our challenges in the last few years. I don’t feel that this is unusual in an organization of this size. We have survived when others thought we would fail. I believe that there is nothing we can’t accomplish when the horses are our priority and Board members work as a team. Thank you for your continuing support!

With highest regard,
Melinda Martino

CANDIDATE STATEMENT FOR AT-LARGE POSITION:

Donna Laroux
134 Goldfinch Drive
Kouts, IN 46347
219-766-3519
Email: dlaroux@aol.com

Hello fellow Curly lovers! My name is Donna Laroux and I am running for re-election for At-large Trustee. I have been an active member of the registry since purchasing my first Curly in 2000. I have been a member of the Board for the past three years and would love to continue serving. My experience with Curlies includes participating in breed and open shows, breed demos in Illinois, Wisconsin and Indiana, parades and clinics. I especially enjoy trail riding and belong to an active saddle club in Northwest Indiana. I am passionately committed to preserving and promoting this wonderful breed of horse and, if re-elected, will do my best to serve our breed and the membership to the best of my ability.

Tall Trees Farm Hosts Open House

By Bruce Tilson/Tall Trees Farm – Bonfield, Ontario, Canada

Our Open House held in February 2012 was a great success: over 175 people showed up in the cold weather to see the Curlies and admire their curls. Lots and lots of people who were allergic to horses sniffed and hugged, and absolutely "NOBODY" reacted. Wonderful!

AN INVITATION FOR SEPTEMBER 2012

Our 2012 Curly Camp-out will be held on the weekend of September 15, 2012, at our farm, which will include another “Open House” on the Saturday. We can use all the help we can get from other breeders to chat with visitors and tell them all about the Curly breed. We welcome Curly enthusiasts and breeders/owners to come to this event. Bring your tents and trailers, stay on our front lawns, and share our campfire with us.

Hope to see you all here!

Call or email us for more info: Telephone: (705) 776-1356 … Email: tttcurlys@efni.com.

Curly Instincts Kick In

By Bruce Tilson/Tall Trees Farm – Bonfield, Ontario, Canada

In August 2010, we at Tall Trees Farm were surprised when, early one morning, we looked out the window to see that our main herd of 15 Curlies (mares and geldings) had rounded up and corralled a young moose cow. The story began about three days earlier when, returning from the back of the farm, we spotted a moose in a wooded area at the side of the pasture. The next day, the moose was back again, grazing in the pasture ... a ways from the main herd and staying off by itself, in the same general area as before. Later in the day, it disappeared into the bush so we thought no more about it but, early that evening, it reappeared and had moved closer to the horses, although still not quite among them. Next morning, it was near the back barn; it had followed the horses up when they came for their grains, but came no closer. On the third morning, we looked out to see all the horses surrounding the moose. They quietly herded it into an enclosed area between the buildings and fences. Once they had the moose cornered, they formed a circle and kept it contained. They kept the moose in this area all morning. Meanwhile, I was able to contact Canadian government officials who sent a rep out to investigate, telling us this was not normal behavior for a moose. It was determined the moose had Brain Worm – a disease that apparently cannot be transferred to horses. The animal was destroyed and disposed of. This story, which we documented on video, shows the "natural" herding traits of Curly horses (all done completely by instinct)... wonderful to watch!
Attention: All ABC Members

Due to the economy and increasing cost burden of Curly Cues, beginning in June of 2012, the newsletter will be incorporated into a page in the Equine Journal magazine.

All paid members as of March 31, 2012, will receive a one-year subscription to the Equine Journal included with their membership.

This subscription will include benefits such as some free advertising for each member. Life members can be included as well for just $10/year. There will be a page each month specifically for “Curly Cues News”.

To receive a full year’s subscription membership, dues had to have been paid by March 31. Articles and pictures can be submitted monthly for publication. Breeders will be listed on a periodic basis. Curly Cues will then no longer be published.

Currently, the Equine Journal is not sent to Canada or Europe. We are working on a solution to this issue. If anyone has an idea, feel free to contact the Board.
