President’s Message

By Joan Olson

December 1st, 2015

We, as the American Bashkir Curly Registry have made history within our organization. We have listened to our members and introduced the first tele-conference convention call. Having enlisted social media and informing our membership through letters of notification of the call, we expected a great turn out of membership who wanted to stay involved with the running of this registry. Thanks to the few who did call in for supporting this decision to enhance our convention participation, we actually heard from the Netherlands and Canada! The call demonstrated the need for us to move even further into the future of technology for the livelihood of our registry. Our next convention is slated to be held in Kentucky, August 12-13, 2016. We definitely need to use the teleconference even though the board will physically be in attendance. This is a great time to meet Breeders and Members face to face and to talk about our Horses!

I wish to thank the Board members for their hard work in the Registry, both for being a District Rep and also holding official positions. When you look at the list, many of these members are not breeders, they just love the Curly Horse so much! With the New Year just beyond the corner our Breeder membership will be deciding on what horse to breed and to which stallion. Breeders must realize how marketable their Curly babies will be and adjust their vision of reality to economic situations. It is hard to make money on foals if they are not sold within the first year. After that the training level becomes more involved and the price needs to increase. Many breeders are decreasing their price because of the economic stresses forced upon them. We must make sure that our breeding decisions are a reflection of the excellence of our stock.

I have enjoyed my year as President and look forward to the next. May everyone have a safe and wonderful Christmas.

++ ABCR PHOTO CONTEST ++
Many wonderful pictures reached us for this year’s Curly Horse Photo Contest! You can find them all here: [http://www.abcregistry.org/#/photo-contest/4565976729](http://www.abcregistry.org/#/photo-contest/4565976729). We have an extra section in this Curly Cues issue below with all the winners’ pictures. Enjoy!

++ CONVENTION NEWS 2015 ++
This Annual Membership meeting of the American Bashkir Curly Registry was held via Teleconference on September 20, 2015 at 2:30 Eastern Standard Time. Many members participated that otherwise would not have been in a position to do so if the conference had been a personal meeting.

It was a very good experience to have the meeting this way. We had some good discussions about many registry matters. However, looking forward to seeing you all personal next year in Kentucky!

S775 FLORALAKE AMBER SENECA!
Congratulations to Texas!
I have a horse who is curious, adventurous and likes a challenge. His name is Warrior and he is a 13 year old American Bashkir Curly gelding. He is as solid as they come. Easy on the trail, great in parades, a member of the Cheboygan County Mounted Search and Rescue squad, Western Dressage competitor plus he is certified as a riding horse for the therapy/disability program.

Warrior and I decided to enter the American Horseman’s Challenge competition during a July event. The Challenge is a variety of obstacles that you and your horse must attempt to overcome.

You receive points for horsemanship as you move from obstacle and as you demonstrate your ability to overcome the obstacle. You are allowed a certain amount of time to complete the course and you are also only allowed a certain amount of time at each obstacle.

This was a perfect time to blend my horse’s ability to show confidence and finesse around new and interesting things and my ability to guide him through this course using the many moves and maneuvers we had learned in Western Dressage.

Without hesitation, we plunged into our first class. Warrior was awesome! He attempted and completed most obstacles with grace and poise. I was so proud! Our Western Dressage moves enhanced his bravery!

By the third class, we felt like old pros! He not only mastered each obstacle but did so with a flair and confidence. At the end of the day we walked away with two blue ribbons and one red ribbon and $102. This AHCA competition had paybacks!!

2015 CONVENTION MEETING MINUTES

Meeting Minutes of the 45th ACR Convention
Membership and Breeders Meeting

American Bashkir Curly Registry - 71 Cavalier Blvd., #124 – Florence, KY USA 41042
Phone: 859-485-9700 Fax: 859-746-0700 www.abcregistry.org

Membership & Breeders Meeting September 20, 2015

The meeting was called to order by President Joan Olson at 2:37pm EST.
Roll was taken.
Present: Joan Olson, Caren Schumann, Melinda Martino, Sue Davis, Donna Laroux, Diane Mitchell, Angie Gaines, Marion Huurman-deRoos.
Breeders in attendance: Sonja Oakes from Ontario Canada, Bruce Tilson from Ontario Canada, Claudia Spanjaard from the Netherlands. Member in attendance: Dave Martino.

Joan opened the meeting welcoming and thanking everyone for their participation and support of the ABCR.

REPORTS
District and Committee Reports were included in the packets that were sent out prior to the meeting. There were no questions or discussion. Diane encouraged everyone to vote for their favorite photo contest pictures through the end of September.

President’s Message
Joan encouraged the breeders to continue breeding as they are able and as the market supports.
Sonja reported that they had 5 foals this year, and will probably just have 2 next year. They will be focusing on training their 2, 3, and 4 year-olds.
Bruce reported that they did not breed this year.
Claudia said that the interest for Curlies is picking up in the Netherlands.

Treasurer’s Report
Melinda directed everyone to refer to the financial report included in their packet. She reported that the Registry has remained in the black this year. There were no questions, so she moved that the report be accepted as submitted. The motion was accepted.

Tax Exempt Status
Joan reported that there has not been a decision regarding our application for 501c3 status as of yet. The attorney will notify her as soon as he knows anything.

Melinda explained that the ACR currently has a 501c5 status, which is tax exempt, but does not allow us to accept tax deductible donations. If we are able to change our status to a 501c3 organization, we will then be able to accept tax deductible donations. As part of the application process, a parent organization has been created (Curly Horse Conservancy), which will be the tax exempt organization. The ACR will be a component of the Curly Horse Conservancy.

Joan also added that to attain the 501c3 status, we are required to have a rescue organization and/or educational programs to prove that we’re not a for-profit organization. We have to show that we’re providing a service to the community.

There was discussion of ways to provide community services through the new parent organization:
- Equine Facilitated Mental Health Therapy (EGALA, PATH)
- Rescue assistance set up to help breeders and owners who need help – before their horses end up in a kill pen. They would contact the APCR directly for assistance, which would then link to the Curly Horse Conservancy.
- Assistance to help people who want to adopt Curly Mustangs from the BLM. Offer assistance in navigating the adoption process, training needs, and providing mentors.
- Information to help facilitate export of Curlies to European countries that would list affordable quarantine and transport resources.
- Breeding standard inspections to educate and assist the breeders.

NEW BUSINESS

Election Results
All current board members this year ran unopposed.
District 2: Liz Mattke resigned and was replaced by Diane Mitchell
District 6: Marion Huurman-deRoos
District 7: Melinda Martino
At-large: Donna Laroux
A vote of affirmation was proposed by Mel, the results were accepted.

By-laws

Article II, Section 3b.
Currently reads, "Dues are payable on January 1 of each year. Dues paid by new members after October 1 shall be good through the following year."
With the change, it now reads, "Membership is for 12 months and renewable in the month of the prior year’s payment."

Article II, Section 4a.
Currently reads, "Failure to pay dues by March 1 shall result in the termination of membership. Members terminated for non-payment of dues shall be reinstated by paying dues for the current year."
With the change, it now reads, "Failure to pay dues shall result in the termination of membership. Members terminated for non-payment of dues shall be reinstated by paying dues for the year."
This change reflects the current practice of assigning the membership renewal date as the anniversary of the previous year’s payment instead of putting everyone on a January 1 renewal date.

Article III, Section 1a.
Currently reads, “There will be one regular meeting of the Membership each year held during the Annual
Convention.”
With the change, it now reads, “There will be one regular meeting of the Membership each year.”
This change now reflects the new schedule of a biannual Convention. On the off year, the Membership meeting will
be held via teleconference.
Article III, Section 1b.
The first sentence currently reads, “The Annual Convention of the Registry shall be held annually.”
It now reads, “The convention of the Registry shall be held every other year.”
This change was made because of the financial burden hosting an annual convention has become on the Registry.
Attendance has been poor the last 3-5 years, so the Registry will now host a convention every other year.

A vote to accept the proposed changes was called, and the changes were accepted.

Breeding Standards/Evaluation Handbook
The committee of Marion, Caren, and Barbara Carroll felt that the current listing of breed standards was rather
superfluous. They have an initial working draft of what the breeders might want to work on to improve the quality of
their horses. One thing they’re looking at is putting together some inspection criteria to the ABCR to help breeders
with their breeding programs. The inspection program would be completely voluntary for any breeder or owner who
would like to participate. They believe there is a market for this. Mel proposed that we put this information on the
website for member input to determine the degree of interest as well as what would be important to include in the
inspection process. Caren mentioned that in Europe, the inspection process can be done through a video process,
and that we should at least offer it. Marion is heading this committee, and any questions or input may be directed to
her (marion@hiddencaveranch.com).

Open Forum
Bruce commented that the current breed standard states that Curlies should partially shed their tail at the head in the
summer and that they should shed all or part of their mane in the summer. He feels that this should be
changed/deleted. Marion made a motion in favor of this change. Motion passed. Bruce also said that he is not in
favor of the inspection evaluation because you’re just getting one person’s opinion. He will not oppose it, but won’t
utilize it. He would like to be involved in its continued development. Melinda asked how the participating members
felt about the teleconference format for the Convention. Sonja said that this is a good option for her, and that it’s nice
to be able to connect this way. Claudia also commented that it was very nice, and the teleconference made it
possible for her to participate.

Today’s FAQ

HOW DO I ... TRANSFER AN ABCR HORSE?

Ownership of a registered animal may be transferred as follows:

a. SELLER, at time of sale, shall forward registration certificate of animal along with Transfer of Ownership/Bill of Sale form to the ABC Registry for transfer by the Registrar.

b. SELLER must sign the Transfer of Ownership/Bill of Sale form. Seller’s name must be listed as the legal owner of said animal being sold, as recorded at the ABC Registry or a power of attorney showing authorization to sell the horse for the owner must be filed with the ABC Registry.

c. Transfer of an ABC registered horse will be duly recorded by the ABC Registrar, who will then forward the certificate directly to the new owner.

d. Either the buyer or seller may pay transfer fees. Fees must accompany the Transfer of Ownership/Bill of Sale form, and registration certificate before the transfer can be processed and completed.

e. Each time an ABC registered horse is sold, a Transfer of Ownership/Bill of Sale along with the associated fee must be sent to the ABC Registry.

f. In the event an ABC registered horse is sold multiple times without the appropriate transfers, the Registrar will proceed with the following procedures:

1) New owner requesting transfer of ownership must be a current member
2) New owner must submit original ABCR certificate, if any
3) New owner must submit Bill of Sale or transfer of ownership from current owner to new owner.
4) New owner must submit four current pictures; front, back and both sides of the ABC registered horse being transferred.
5) New owner must submit notarized letter stating they have the ABC registered horse in their possession, that they have the original certificate, if any, four pictures to be sent in, and would like the ABC registered horse transferred into their name.
6) Two current transfer fees shall be paid:
   a) One for registered owner as recorded with ABCR to current owner and
   b) One for current owner to new owner

If there is not an original certificate the new owner must provide the complete name and/or registration number of the ABC registered horse along with the four (4) pictures and current fees for a duplicate certificate to the Registry before a new certificate will be issued.

CC TEXAS MIRACLE
ABC 3781, sorrel with flaxen points, Gelding, 13.3 hh. Foaled 2007.

Miracle is a very sweet, personable horse. He is also gaited. He has been ridden mostly on trails, with an English style bit. He likes to follow, so when kids ride, we will put them on him, knowing he won't leave the others. He is small, and should have small adults ride him, not big people. As for on the ground, he has excellent manners - with farrier, vet, to mount, etc. He is UTD on trims, vaccines, and a negative Coggins. His winter coat is very curly, and he has a wave in summer. His mane and tail, when he doesn't rub them out, are also very curly.

$ 1,500.00

COCOA TWIST
ABC PB297, black, Mare, 14.1 hh. Foaled 1998.

Cocoa is a very gentle and sweet mare. She has been a family horse, and has been ridden by kids as well as adults. She has very good manners. Ridden mostly on trails, with a hackamore. Her winter coat is very curly, and has a wave in summer. Mane and tail are also curly. She is good for the farrier, vet, to mount, etc. Is UTD on vaccinations, trims, and has negative Coggins.

$ 800.00

HIDDEN CAVE TAKEO
ABC 4147, palomino, Gelding. Foaled 2014.

Takeo is such a sweet boy. He is the perfect combination between Mac and Mallie. Takeo got both their good looks AND their sweet character. At the age of only 10 weeks Takeo was the center of attention during the Breyerfest at the Kentucky Horsepark in Lexington. Takeo has good ground manners, lead, ties and pick up his feet with no problems. He has the softest beautiful golden curls in the winter. And he keeps his mane and tail in the summer. He is a spitting image of his brother who also lives here and is one of our best trailhorses during our guided trailrides. I believe Takeo will be a great riding partner too.

$ 2,000.00

Sire: FFS Simitar Legacy (Mac), Dam: Stag Creek Mallie Berdtie

HIDDEN CAVE ALTAIR
ABC 4149, sorrel, Gelding. Foaled 2013.

What a great gelding this is. He is such a pleasure to work with. I really have to hold myself back not to go too fast with this willing athletic boy. He loves to do his ground work exercises and meets me at the gate every day ready to go. He is so versatile but athletic you can take him in any direction from dressage to jumping to a great trail partner. Did I mention how sweet he is?

$ 3,000.00

Sire: Stag Creek Lydiker, Dam: HCR Cinderella
