Our Organization

NJECC is a not for profit organization directed by a Board of Trustees. NJECC provides membership to school districts with a wide range of services to meet many of your educational technology needs. Substantial Discounts on Hardware, Software and Services. As a cooperative organization, NJECC offers an opportunity for networking, a forum for finding solutions to problems and a platform for sharing successes.

NJECC Mission

To promote and support the integration of technology in education as it applies to student learning, professional development, and instructional planning. All memberships are July 1 to June 30 and include Monthly meetings, Cooperative Buying, and Special Interest Groups.
