

An 8-Week Intensive Business Startup Virtual Workshop and Entrepreneurial Coaching Experience

- Do you feel called to do more with your day-to-day?
- Have you wanted to start your own business?
- Would you like hands-on direction and support to launch your dream?

Nicole A. Singleton, MBA, MAC
Workshop Facilitator

Register today for the **She Hustles Startup Workshop**, which is an eight-week intensive business start-up workshop that will equip you with the information, tools, and resources to build and launch your own business. Whether you would like an online, retail, or service entity, we stand ready to help you to take the steps needed to succeed.

Participants will receive:

- Access to a one-hour virtual workshop for eight weeks
- Downloadable handbook with resources, tools and information needed for start-up
- One-on-one entrepreneurial coaching each week
- Assistance in developing an actionable Business Plan

It's time to take action! We are here to help you develop and launch your venture. Destiny is calling!

This amazing start-up workshop and coaching experience will be hosted by Nicole Singleton, an entrepreneur who has successfully run her own company for over 18 years, held executive positions with Fortune 500 Companies, and served as the President and Chief Executive Officer of a state Chamber of Commerce. With her own organization, she has served as the CEO for over forty other national and international entities. She knows what is required to effectively create and operate various types of organizations—all while trusting in the Lord. If you believe you are called to start your own business and want help doing so, REGISTER TODAY.
