VapeSling®

Logo Print Option

Available on V3 Slings only

Shown here:
 Alaska Elixirs™ Company Logo on Sling, Head up Orientation, 2” Distance

Custom Logo Printing Steps

Step1: Choose 1 or several **Fabric colors**. Mix or match colors for your order. Company colors or something different, we have your color or print.

Step2: Choose your **Logo color**. Prices calculated using 1 color.

Step3: Send your Logo art (150 dpi or better) to: wholesale@vapesling.com

Step4: Orientation (Head up or side-ways?) **and Distance** between logo prints (Stepped 2 inches or 3" etc).

(inset shows Head up and Stepped 4 inches)

Step5: 1st Proof sent via email: A PDF representation of the final work will be provided **for approval**.

Step6: Upon your approval, production begins. Completion in 3-4 weeks to deliver your finished Slings.

Pricing

(Prices shown are for Logo custom work. Sling price not included)
