Friday – Registration at 2pm - 5PM. Pull begins at 6pm.  
Saturday – Registration noon - 3PM Pull begins at 4pm.

## Work Days:

Oct 31st work day for cleaning the grounds up, mowing, weed eating and clean out the old trailer to get ready to move to the new registration building.

Jan 9th work day to get ready for the super pull.

## Message from the officers:

A big thank you to Steve Kennon for all of your help over the years and always helping on the track.

Thanks to everyone that comes out to help with the pulls.

Thanks to Mt. Dora FFA for all your support of the club at all of the pulls.

We got a new building for registration and storage that will be moving in at the next work day.
