WELCOME TO THIRTY-SIX EDUCATION

Package No. 40

SAT / ACT Tutoring

36 Education references a perfect score on the ACT, and that's no coincidence. A perfect score on the ACTs is an admirable goal to have. In fact, 36 Education strives for—and produces—significant score gains, and, sometimes, they do help their clients achieve perfection. It is not, however, their only goal when it comes to their students. They won't improve your child's scores; they will expand your child's knowledge.
