**OdorMate Tropical Breeze** is a general purpose odor eliminator, deodorizer, and cleaning additive designed for use on carpet, upholstery, and laundry. It also works extremely well in general space deodorizing. The versatility of **OdorMate Tropical Breeze** allows it to be effectively used as a direct spray pairing agent heavy duty deodorizer; it can be added to most any cleaning solution; and can be applied through a wet fogging machine. Don't let the light tropical breeze fragrance trick you. Utilizing **OdorMate Tropical Breeze** will leave any carpet or room smelling clean and refreshed, but it is also powerful enough to counteract severe malodors.

**OdorMate Tropical Breeze** es un olor de objetivo general eliminador, deodorizador, y limpieza del aditivo diseñado para el uso en alfombra, tapicería, lavandería. Esto también trabaja sumamente bien en desodorizar espacial general. El carácter polifacético de **OdorMate Tropical Breeze** permite que esto sea con eficacia usado como un spray directo que empareja el trabajo pesado de agente(reactivo) deodorizer; puede ser añadido a la mayor parte de cualquier líquido limpiador para las lentillas; y puede ser aplicado por una máquina fogging mojada no dejan a la fragancia de brisa tropical ligera(clara) engañarle. Utilizando **OdorMate Tropical Breeze** I dejará cualquier alfombra o cuarto(espacio) que huele limpia y refrescada, pero también es bastante importante contrariar malodors severo.

### Directions:

#### For application as a general purpose deodorizer:

1. Always pre-test all cleaning solutions in an inconspicuous area for colorfastness prior to application.
2. Mix four ounces of solution with one gallon of water (1:32) into a sprayer. For heavy duty malodors, mix 32 ounces of solution with four parts water (1:4) into a sprayer
3. Saturate spray solution onto contaminated area.

#### For application as a cleaning additive:

1. Always pre-test all cleaning solutions in an inconspicuous area for colorfastness prior to application.
2. Mix two ounces of solution with one pre-mixed gallon of cleaning solution (prespray or extraction detergent solution) (1:64)
3. Proceed to clean in normal manner.

#### For use as a wet fogging solution:

1. Always pre-test all cleaning solutions in an inconspicuous area for colorfastness prior to application.
2. Mix 32 ounces of solution with one gallon of water (1:4) into your fogger.
