

# Who We Are

Seneca Nation Group (SNG) companies are focused on supporting the missions of our federal government customers. The SNG companies collectively generate \$170 million in annual revenue that directly supports over 8,000 Seneca shareholders.

SNG's portfolio of companies offers its customers all the advantages of a SBA certified tribally-owned, Native American 8(a), Small Disadvantaged Business (SDB). With a steadily growing list of past performance (including exceptional CPARS ratings), the SNG companies have earned their reputations for exceeding customer expectations across a wide range of requirements.

## SNG Companies Deliver:

- > High-quality results from our professional, mission-focused teams
- > Maturity without bureaucracy – large business stability, small business agility
- > Robust library of past performances that demonstrate our results
