FINANCIAL RESPONSIBILITY AGREEMENT

I understand and agree that I will be financially responsible for any and all charges for services not paid by my insurance company for my visits. This includes any medical service visit, EMG, EEG, Sleep Deprived/Video/Ambulatory EEG's, Evoked potentials, Transcranial Doppler, Carotid Duplex and Neuropsych testing ordered by my physician or the physician's staff.

I understand and agree it is my sole responsibility and not the responsibility of the provider of services or technicians to know if my insurance will pay for my medical service, testing or visit ordered by my physician or the physician's staff.

I understand and agree it is my sole responsibility to know if my insurance has any deductibles, referral requirement, co-payment, co-insurance, out-of-network amount and usual and customary limit or any other type of benefit limitation for the services I receive, and I agree to make full payment promptly.

I understand that it is my responsibility to know if the physician or provider I am seeing is a contracted in-network provider recognized by my insurance company or plan. If the physician or provider I am seeing is not recognized by my insurance company or plan, it may result in claims being denied, or a higher out-of-pocket expense to me. I understand this and agree to be financially responsible and make full payment promptly.

I understand and agree it is my responsibility to know if my PCP choice has been processed by my insurance company or plan. If I have requested a PCP change that is not processed by my insurance company, it may result in claims being denied. I understand this and agree to be financially responsible and make full payment promptly.

By signing below, I agree to accept full financial responsibility as a patient who is receiving any medical services, that may include EMG, EEG, Sleep Deprived/Video/Ambulatory EEG's, Evoked potentials, Transcranial Doppler, Carotid Duplex and Neuropsych testing or as the responsible party for minor patients. My signature verifies that I have read the above disclosure statement, understand my responsibilities, and agree to these terms.
