

Field Experiences

Students will participate in weekly Field Experiences. Our goal is for learning to happen in and out the classroom. GA has many local day-trips that will allow them to get real-life experiences that will bring classroom standards to life.

Specials/Connections

Flourishing Futures will enrich our curriculum and give students an opportunity to explore enrichment classes featuring the Career Club and the Authors Corner.

Students will also have the opportunity to do a French Immersion program.

Calendar and School Day

TREAD Educational Academy closely follows the Gwinnett County School System Calendar.

Final calendars will be available July 15th, 2020.

The school day will be Monday-Friday 9am-3:00pm.

Who Are We

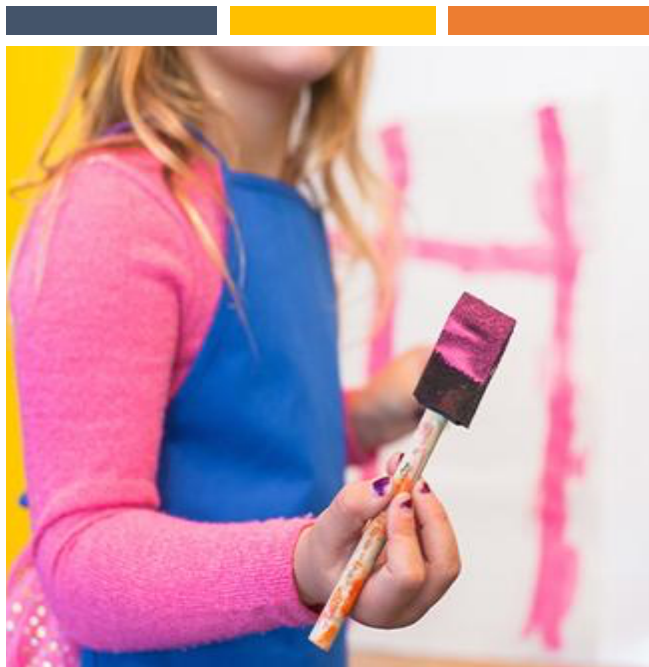

TREAD Educational Services, LLC. is a vision that is now reality! The director, Denice Dixon, opened this small business in hopes of changing education for the better and creating educational experiences for children that would change their lives forever. She opened the tutoring center as just one building block of that reality. The center has flourished and students are making great strides in their learning. TREAD Academy Inc. had its inaugural year for the 2019-2020 SY. The year was a success! We are moving into year 2 with bigger and better things! We cater to the exact learning need of every student that enrolls. TREAD has a mission to create a student-centered academic service that provides them with a supportive individualized and collaborative learning environment, allowing them to achieve a more excellent way to academic success across all disciplines.

Mission

TEACH students to **REACH** academic success through individual **EDUCATIONAL** experiences that ultimately lead them to **ACHIEVING** their **DREAM**.
