WORK EXPERIENCE

Undergraduate Research Auburn University, Auburn AL

Summer 2018 – Spring 2019
I worked under Dr. Foshee at Auburn University in the Department of Horticulture. My work duties were focused on helping with research and manual labor in the field.

Undergraduate Research Auburn University, Auburn, AL

Summer 2019- Current
I currently work in the Kesheimer Lab focusing on research in IPM. The lab is in the Department of Entomology and Plant Pathology.

Paraprofessional Yarbrough Elementary School Auburn AL

Summer 2016 – Spring 2018
I worked in a one-on-one setting with special needs children and supervised classrooms when needed.

INTERNATIONAL EXPERIENCE

Youth with a Mission (YWAM), Orlando FL

September 2013–February 2014

I completed the Discipleship Training School through YWAM with a concentration in Social Justice. We implemented sustainable agricultural practices, such as water catchment tanks and sandbag homes, learned on base in Orlando to be used for relief efforts in the Dominican Republic and Haiti. I served internationally for two months.

Hospitality Manager**Chick-Fil-A, Dothan AL**

July 2012 – July 2015

I started as a Cashier and worked my way to become the Hospitality Manager in 2015. My main task was to interact with customers and solve any issues that may arise, as well as managing catering orders.

Boys and Girls Club

October 2011–June 2013

I worked on staff as the Program Specialist to help direct recreational games and tutor our children and teenagers.

- May 2019-South Africa- Orr Trip

Non-educational related travel:

- August 2009 – Peru

- May 2014 – Uganda and Rwanda
