Prescription Refill Policy

- When a patient is seen in the office and requires a prescription, the treatment regime will cover the prescriptive needs until the next appointment.
- Refills on medication will only be authorized after the patient is seen in the office. Please do not call the office for refills.
- No refills will be given after you leave the office that day, or the next three days.
- If an appointment is missed, no refills will be authorized without a return appointment.
- Medications will not be phoned in after hours and /or on weekends.

Office Hours: (8:00 to 5:00 Monday through Friday)
