

UNIVERSAL PEDESTAL

INSTALLATION INSTRUCTIONS

NOTE: THE UNIVERSAL PEDESTAL SHOULD BE INSTALLED ON THE DISHMACHINE BEFORE ELECTRICAL AND PLUMBING CONNECTIONS ARE COMPLETED.

1. Remove feet from dishmachine. (Holes will be used to mount to frame.)
2. Place dishmachine on Universal Pedestal aligning front of dishmachine with front of Universal Pedestal.
3. The diagram below shows where machines attach.

Note: Leveling must now be done by adjusting the four leveling feet on the stand.
