

# 2020 WINDSOR TRANSPORTATION CLUB JOB FAIR

## EXHIBITOR REGISTRATION FORM

The Transportation & Warehousing Sector in the Windsor-Essex Region is an important economic driver for the Region. There are over 27,000 businesses in the Transportation and Warehousing Sector employing 8,100 workers in Windsor-Essex.

The international border between Windsor and Detroit is the busiest commercial international border crossing for transport trucks between the U.S. and Canada, so the Region always has a strong demand for qualified truck drivers as well as a high demand for trained and qualified truck mechanics and other affiliated transportation occupations like: dispatchers, safety, customs and warehouse.

The 2020 Windsor-Essex Job Fair provides a good opportunity to link transportation companies with qualified and interested workers while providing excellent networking opportunities for all.
