Signature: _____

Date: _____

To Physicians and their Staff:

This person is an employee at Camp Alleghany for Girls in Lewisburg, WV. The job includes physical activity such as hiking, swimming, and running, and requires the individual to work long hours outside in a variety of weather conditions. Our healthcare staff and the employee's supervisor use the information on this form to guide their interface with the employee. The employee can provide their job's description and list of essential functions to you. If you question the person's suitability for their job, please talk with him or her about your concerns and develop a plan to address that concern. You may also speak to one of our camp professionals by calling 877-446-9475. Thank you!

Name of _____ Date of _____
Employee: _____ Birth: _____
