

AND THEN THERE WERE THREE! You now have three options for giving your financial offerings for the ministry of Morning Star **electronically**. We have **added a mobile app** that you can download to your phone **and text giving** where you can text your gift to a number. The online giving page on our congregation's website is still there for you to use. If you still prefer to use cash or check, you can mail your offering to the church.

The mobile app is called **GivePlus Mobile**. You can download a copy of [How to give via your Mobile Device](#) showing how to find and download the app from the App Store or Google Play as well as how to make a gift using the app. Copies are available on the counter by the church office if you want to pick one up. You can watch a video showing the process at <https://vimeo.com/262292774>.

The text giving app is called **GivePlus Text**. You can download a copy of [GivePlus Text Quick Guide](#) showing how to make a gift by texting. On the counter by the church office, you will also find printed copies of the Quick Guide for using the GiftPlus Text #. This will walk you through the steps to set up and begin using text giving. You can watch a video showing this process at <https://vimeo.com/262291796>. **The number that you text your gift to is 844-924-8236.**

We have added these two new electronic giving options to make it easy and convenient for you to make a contribution any time and anywhere you are.

Thank you to those who are currently using electronic giving during these weeks when we can't meet to worship at church. We want also say **thank you to our newest electronic givers who took advantage of the generous offer to donate \$500 toward Embrace for each new electronic giver who enrolled with recurring gifts.**

Since March 1, we have 37 new donors making recurring gifts to the Morning Star ministry. The total number of members using electronic giving for their recurring offerings is now over 100. Since this closure of corporate worship could go on for an extended period of time, please consider using electronic giving.
