

Hi **teacher name** Classroom Families!

We want to let **teacher name** know throughout the year that we appreciate her hard work and the time she spends with our kids during the day. "Mystery Treating" is a simple way to thank **teacher** for a wonderful job. We are asking for volunteers to "treat" **teacher name** once during a month with a \$5-ish treat (sign up for one month/one treat). This could be a craft from home, Starbucks gift card, lunch, etc... Really anything small to let her know that we appreciate her ALL year. The mystery treat is from the whole class, so feel free to give it to her anonymously and let her know how much the class loves her!

If you'd like to help, please sign up for one month and feel free to send the treat in any time during that month. The dates listed are just to indicate the month you're signing up for. Please let us know if you have any questions!
