We are still not decided on the approach this year, but you will be the lead classroom representative in creating a booth, gathering volunteers to help build/stock the booth, as well as running the booth the night of WRU. ***At Sequoya we have an incredible Art Masterpiece program! Each class will learn about an artist and do an art project based on the work of that artist. As an Art Masterpiece volunteer, you will choose a date throughout the year (we do 4 projects; hence 4 volunteers are needed) to coordinate an Art Masterpiece project in the classroom. This person will use AN EXISTING & grade appropriate power-point that has been created by our APT. You will show it to the class and then coordinate an art project based on the information provided in the power-point. The art supplies are all provided so it is just a matter of picking an artist, a date and the rest is FUN!
