

# Pie in the Face Challenge

A DIFFERENT KIND OF FOOD FIGHT

- Choose 2-5 people in your building who, if deemed the winner, are willing to get a pie in the face.
- Set out one food bin or box per person with their mug on the poster. Assign a member of the staff to receive all cash donations and store the money securely.
- Encourage staff to participate by designating their cash donations and placing their food in the bin of the person they would most like to see get a pie in the face.
- **1 lb of food = 1 vote**
- **\$1 = 5 votes**
- The nominee with the most votes, will receive a pie in the face (whipped cream in a pie tin or equivalent, no heavy pies - we don't want injuries). In the event of a tie, the tied top vote getters will receive pies in the face.
- Upload your progress throughout the month to social media (Facebook, Instagram, Twitter) and use hashtag **#360PieInTheFace**, **#SquashHunger**, and **#MarchCampaign**.
- Gather your organization and record the big event!
- Food/cash must be delivered to one of five 360 Communities food shelf locations no later than **March 31st**. Please call ahead before delivering!
