19 years as a SHOPO Official in these positions:

- Honolulu Chapter Chair
- Vice-President

Our Law Enforcement profession and society is changing by the minute every day. Social Media and Body Cams have changed our careers faster than ever before. Our members Statewide are under heavy scrutiny every single day as media outlets only report stories that cast a negative light on our members. There will be many issues and challenges that we will continue to face as you have seen the pendulum has swung the other way in regards as to how the public views us.

It is our duty and responsibility as Union Officials to ensure that all of our members Statewide regardless of rank or position are represented to the fullest along with maintaining fiscal responsibility with members money, accountability, and communication.

Moving forward, we are going to need a strong union to fight for our pay and benefits that we deserve and maintain our police officers' rights.

I am looking forward to the challenge to represent all of you. I humbly ask for your vote of confidence.

Thank you and stay safe.

DON M. FAUMUINA

State Board President

Don Faumuina is a 21 year veteran with HPD. He is happily married to his wife Bella for 21 years and has 2 sons, Noah (21) & Jonah (18).

Don has been instrumental in creating many HPD community driven projects such as Project THINK (To Help Inspire Neighborhood Kids), a youth mentorship 4-week project, Aloha No Na Kupuna (Love for our Elderly), an annual Elderly Health & Celebration Conference held every December and Project S.O.S. (Save Our Streets). He is currently assigned to D1 Chinatown midnights. If you ask Don why does he remains on 1st watch, he will tell you, it is because of the amazing, hard-working people he is privileged to serve alongside.

Don's interest in SHOPO began 12 years ago when he ran for the Director-At-Large position and lost. That experience fueled his desire to get involved and pushed him to run again in 2014. His eight year tenure as both Director-At-Large and State Board Secretary included contract negotiations, attending award & promotion ceremonies, recruit school graduations, rendering peer support for hospitalized members, updating member related systems like the SHOPO ID project, SHOPO telephone and internet services, to name a few. Don's passion for serving SHOPO members has grown. His motto, "Because YOU and your FAMILIES matter!" encompasses Don's passion and commitment to the members, and those that love and support them.

Don is also a successful business owner for the past 30 years and takes SHOPO business extremely serious. As a former volleyball head coach for Damien Memorial school in 2019, Don led his "Lady Monarchs" to their first ever Division and State Championship titles for the school. This is this type of championship mentality he brings to SHOPO as the next SHOPO President! Mahalo & Fa'afetai lava!

JOHN M. ASING, JR.
State Board Secretary

Aloha to all SHOPO brother and sisters in blue!

I've been a police officer for 29 years and am currently a Lieutenant in Communications. I have a well-rounded resume to include the following: UC in CIU, CRD, Patrol (D-1, D-4, D-5, and D-6), D-1 CRU, started Alarm Tracking, Detective in CID, Sergeant in Patrol, Lieutenant in CID, D-4 Patrol, and Communications.

I was a shop steward in the mid-'90s. Before my promotion to Lieutenant in February 2013, I was the Sergeant's Rep on the SHOPO Honolulu Board, including the Health & Safety Committee. As a Lieutenant, I continued as a shop steward until this past election where I became the SHOPO Honolulu Board Lieutenant's Rep.

SHOPO is our union, and our members deserve to have its elected officials strive for the highest levels of accountability, communication, and transparency, at all times.

As Secretary, I will work tirelessly to ensure that ALL members have a voice and union rights are protected. I will always strive for maximum staffing in patrol for officer safety. I will never be silent if members rights become disregarded. I will stand for protecting your God-given rights. If anyone has any questions as this space for our bio's is limited, please call, text, or email me.

I appreciate your support. God Bless!

ZELDA "Z" M. K. CABUDOL
State Board Secretary

I am a 30 year veteran with the Honolulu Police Department. Even more significantly, a 30 year SHOPO member in good standing!

Throughout my 30 plus years, I have been a Shop Steward of SHOPO, representing my brothers and sisters in blue, looking out for their best interests. I am passionate about our "frontline" officers, as I was one myself for just about 15 of those years. I was also assigned to the IT Division as a vital part of the department's transition from the handwritten documents to Mobile Data Computers (MDC) in officer's vehicles. I contributed to the positive growth in HPD's many attainments such as having a direct hand in the development of the report writing software to the completion of the department's training of what the MDC's entailed.

Currently, I am a Detective with the Criminal Investigation Division, working several years with the Domestic Violence Detail, being that "voice"– that advocate for the victims. I also served on the Honolulu Chapter Board as Vice Chair and Detective's representative. I was also the Shop Steward's coordinator and assisted with the Health & Safety, Uniform & Equipment, Political Action, and Membership Development committees. I currently sit on the State Board as one of three Director at Large positions.

I volunteer as a Team Leader with our department's Peer Support Team and we respond to any critical incident, whenever we're needed. Often times, I will change "hats" and respond as a SHOPO rep whenever my Peer team is not on call and our members need us!

Over the years, I've been blessed to work alongside some extremely dedicated and loyal officers, as well as some steadfast and devoted SHOPO officials who were and still are committed to our Blue 'Ohana! I was passionate back then, and remain to this day, an advocate for my Blue 'Ohana! Serving and protecting every member!

STATE BOARD 2 CANDIDATES FOR TREASURER

PAGE 1 OF 1

JASON BOQUER-WINTJEN

State Board Treasurer

I have been a Honolulu Police Officer for over 18 years, with over 15 years SHOPO experience in appointed or elected positions.

In December 2020, I was appointed to the vacated Treasurer position. In the 11 months serving as your State Board Treasurer, I have accomplished these goals in a short amount of time:

- Organization Audit: completed 2020's audit & started 2021's
- Filing State Tax & IRS documents for SHOPO as a 501(c)5, SHOPORA as a 501(c)9, and the newly formed SHOPO Benevolent Fund, a new 501(c)3
- Spearheaded getting you the approved State Board meeting minutes on our SHOPO App and website to increase transparency and communication with all members across the State of Hawaii.
- Responsible for the protection of the all SHOPO financial documents, both proprietary and those open to public review.

My goal in the next term is to continue reducing the perception that SHOPO lacks transparency and communication by upholding SHOPO's purpose. Which is to fight for our rights as outlined in our collective bargaining agreement, protected by the collective bargaining law, outlined in Hawaii Revised Statutes, Chapter 89. Each State Board Official holds a fiduciary obligation and swears in to such at the beginning of their term. A fiduciary duty requires all SHOPO State Board Officials to act in a manner that benefits SHOPO and its members, such as a *Duty of Care*, *Duty of Loyalty*, *Duty of Good Faith*, and *Duty of Confidentiality* just to name a few. In short, an official cannot do anything that would further any private or personal interest and the official must protect the interests of SHOPO and its members without violating the law.

I humbly ask for your vote as your next State Board Treasurer. Mahalo!

ERNEST-SIOSI F. ALIKSA
State Board, Director at Large

Ernest-Siosi Alikxa, of Micronesian ancestry, was born on Oahu and raised on Maui. He graduated from Baldwin HS in 2000. He went off to attend college where he graduated from the University of Nevada Las Vegas with a Bachelor of Arts Degree in Criminal

Justice. He is happily committed to his significant other Dana and is a proud father of 7.

When he's not serving the community and serving SHOPO members, he volunteers his time as a sports coach. Ernest-Siosi Alikxa has coached Football and Baseball at both the youth and High School levels. He has won Division and State Championships in Football at Kahuku HS. He retired from coaching a few years ago but has since returned to the youth level in attempts to rebuild the prestigious sports program in Kaneohe.

Prior to becoming a Police Officer, he worked for the UNLV Police Department as a Dispatch/First Responder for 7 1/2 years. Upon moving back home to Hawaii, he worked at the Federal Bureau of Prisons as a Federal Correctional Officer for approximately 5 years.

Ernest-Siosi Alikxa is currently assigned to Morals in the Narcotics/Vice Division. Prior to this assignment he was assigned to District 1 for approximately 7 years where he worked on all three watches. He has fought for many SHOPO member rights such as he did on July 6, 2020 at the Capitol. If you ask Ernest, he would tell you that being a Police Officer we serve our community and being a representative of SHOPO we serve our members. He is a firm believer that we have to care for and serve our members so they can care for and serve our community. This is the reason he is running for your SHOPO Director-At-Large position.

Mahalo & Aloha.

SHAWN C. K. CAVACO
State Board, Director at Large

MPO-I / Specialized Services Division,
13 years Honolulu PD
(7yrs. D3 patrol,
6 yrs. SSD)

10 years as a SHOPO Official in these positions:

- District 3 Director/Shop Steward (HNL Chapter)
- Non-Patrol Director (SSD, IEU, and Training)

Aloha, in the past decade, the law enforcement profession here in Hawaii and across the nation has evolved many times over. Increased scrutiny by the public via social media, main stream media, and new oversight committees have made our job much tougher to do. Thru this scrutiny, our membership has remained vigilant and continued to get the job done by faithfully and selflessly serving their communities.

When COVID-19 hit in 2020, a new set of challenges arose when Vaccine Mandates hit our membership. I believe in "Pro-Choice" and will continue to advocate for that for all of our membership.

Accountability, fiscal responsibility and maintaining transparency is key to gaining the trust of our membership. I believe it is the duty of SHOPO to ensure that all members are represented to the fullest extent. I believe it is time for change within the ranks of SHOPO. It is time for the newer generation of Officers to "step up" and continue to fight the good fight for our members.

Looking ahead, we as a union will need to be united and strong to fight for our pay and benefits that we deserve, and to maintain our rights as police officers.

I humbly ask for your vote of confidence.
Thank you and Stay Safe.

JONATHAN D. FRYE

State Board, Director at Large

Elections are fast approaching. Please consider me when placing your vote for Director at Large.

I am the current Vice Chair and District 3 Director for the Honolulu Chapter as well as a Detective within the District 3 Burglary Theft

Detail. I am a husband and loving father of two. I have been involved with SHOPO for about 9 years. I started as a Shop Steward in District 8 and later as a Shop Steward in District 3. I later took on additional responsibilities as the District 3 Director and Treasurer for the Honolulu Board. When the former Honolulu Board Vice Chair stepped up to the State Board, I took on additional responsibility as the new Vice-Chair of the Honolulu Board.

I have decided to try and move up within SHOPO to the State Board as a Director at Large. I believe with my years of experience within SHOPO as well as within the Honolulu Police Department, I will be a great asset to you and SHOPO. In the past two years we have faced many tough hurdles (contract negotiations, rotating schedules, mandates, retaliation...just to name a few). I fought all of these problems to the very best of my ability and still continue to fight for all of you today. I believe my track record speaks for itself and I know that my experience thus far will be beneficial towards ensuring the rights of all SHOPO members.

Many of you from Honolulu have probably met me or at least seen me in passing. Those of you that have had the opportunity to speak with me know that I have always put the needs of our members first. Whether that means speaking on your behalf to the command or waking up at 0100 hours to respond to a critical incident. I've done this and will continue to do it because I believe the mission and fighting for member rights. When making your decision about your next elected representatives, please put careful thought into who you want to represent you. Please trust that I have always based my decisions on the best interest of the membership. Please consider me for Director at Large.

NEIL M. I. HAN

State Board, Director at Large

Aloha SHOPO members,

My name is Neil HAN. I am running for the seat of SHOPO State Board,

Director at Large. I have been with HPD for 22 years and am currently assigned as a patrol Lieutenant in District 6. Majority of my career has been in patrol, plain clothes operations and recently as an instructor for active shooter, riot control and incident management classes. Through those classes, I have had the pleasure of meeting many of you on Oahu, Maui, Hawaii and Kauai and have seen first-hand the different challenges all the counties are facing.

Being one of the State Board, Director at Large this past year has been an eye-opening experience. I see the demands, sacrifices and duties the State Board members face especially this contract year. I believe as a union moving forward, SHOPO should continue to represent all of its members, increase member participation in the union process, advocate proper administration and work with the different county departments to ensure all officers receive more frequent training and updated equipment.

I am running for the State Board, Director At Large position because I feel that all officers need a strong voice during these challenging times within our department and in our community. I have spent the majority of my career pounding the pavement with many of you and know how difficult our job can be. I believe in hard work and fighting for what I believe in. If elected, I will fight to ensure all officers are treated fairly and equally. I humbly ask for your consideration and your vote for Director At Large.

Mahalo,

NEIL HAN
for State Board, Director At Large

TAYLOR H. HO'OPI'I
State Board, Director at Large

Taylor Ho'opi'i has 32+ years in law enforcement. He has experienced the evolution of our department and the ramifications it has on our officers, both positive and negative.

Taylor has worked in both patrol and non-patrol capacities. He is a problem solver and an agent for change. Taylor has given back many man hours, regularly off the clock, to create impacting programs to support communities and our officers. Project THINK, Aloha no na Kupuna, Kupuna shop with a hero, Project Save our Streets, and most recently, the Supervisors Leadership

Taylor is also an entertainer and manages events for his singing group, "A Touch of Gold" and also facilitate personal development workshops for his second business, "Time 4 Change HI".

It is because of this, Taylor possesses high emotional intelligence and strong leadership skill sets. This, combined with an unwavering moral and ethical standard as well as a deep connection with people makes Him a perfect fit for such an honored position as a Director at Large.

CARMEL "MEL" K. HURLEY
State Board, Director at Large

Aloha!! My name is Carmel HURLEY (Corporal), but most people call me "Mel" or "Hurley". I was born and raised in Wai'anae and am currently living in Ewa Beach. I have three beautiful children, a boy and two girls; Kaniala (22), Kiana (13), and Kahiau (5). I have an extremely supportive partner of 15 years that some of you may already know, Thomas "Tommy" LOGEMAN, also a former HPD Sergeant.

I've been in the department for over 15 years and have worked in patrol for most of them, namely Districts 3 and 1. I've also had the honor to work in the Human Resources Division assisting in the hiring process, as well as in the Field Training Evaluation Program or FTEP. I was not only a part of the staff, but I am also a qualified Field Training Officer. Recently, I've been blessed to teach the Annual Recall Training portion at Ke Kula Maka'i Training Academy, as well as directly training new recruits. I am currently a part of the 201st Recruit Class Staff. I also happen to be a member the Human Services Unit's Peer Support Team.

I am running for Director at Large, because I want to help represent ALL members of SHOPO. I'm here to be your voice. I strongly believe that it's the duty and responsibility of Union Officials to represent all members of SHOPO regardless of what the situation is.

If you know me, you know my heart. I genuinely care about people. No matter your status, your race, or your rank, I am always here if you need someone to talk to, if you need someone to listen, or if you just need a hug...I got you! If you vote for me, not only do I already respond to critical incidents as Peer Support, but I'll also be there as a SHOPO representative to assist with anything, and everything.

I graciously, and humbly, ask for your vote. I will strive to help SHOPO be the change that you want to see. Stay safe and stay blessed.

DEREK PA
State Board, Director at Large

Aloha, this is Derek Pa, I hope everyone is doing well. I am running for the position of Director at Large, State of Hawaii Board of SHOPO and humbly ask for your support.

A little bit about myself... I joined HPD on May 21, 1991 as a reserve officer.

After graduating from the academy with the 12th reserve recruit class and doing my FTO, I worked in Districts 1, 3 and 8 as a patrol officer. In March of 1999, I retired from Hawaiian Telephone and went from a reserve officer to a regular officer, processing through with the 132nd recruit class. I worked at the academy as an instructor for about 2 years, solo bike for 7 ½ years, the Districts 1, 2, 3, 6 and 8.

I am currently a Sergeant in District 1, night watch, sector 4. I have been on the Honolulu Board of Directors since 2017, representing Corporal's. In March of 2021, I was promoted to the rank of Sergeant and had to step down as a Corporal's representative. The District 1 position became available, I applied and was voted in to represent officers there.

While serving as a Corporal and Sergeant on the Honolulu Board, we, as representatives of your union fought for many of your rights owed to you. We assisted multiple officers with issues that they have had. We responded to many critical incidents to assist and guide officers with their rights and to make sure that they were being treated fairly. We also responded to personal family matters where we offered support. I use the term "we" because SHOPO responds as a team.

I am running for this position because I've personally seen our brothers and sisters in times of need. To see their faces when we arrive and let them know that they're not alone makes them more at ease. I've attended Meet and Confer meetings with the Chiefs and discussed issues at hand, often times resolving them. I will fight for your rights and continue to represent our members.

Again, I humbly ask for your support for the position of Director at Large.

Mahalo. D.

OSCAR “OJ” L. WILLIS, JR.
State Board, Director at Large

Aloha Everyone,

My name is Oscar “OJ” Willis Jr, I am running for the Director at Large position during this upcoming election of 2021. I am a Sergeant and currently assigned to District One, Second Watch as a Patrol Supervisor.

Prior to me joining the Honolulu Police Department (HPD), I served in the US Army for 8 years. My military experiences afforded me the opportunities to travel the world and be deployed to countries like Panama, Afghanistan and Guantanamo Bay, Cuba just to name a few. I am currently going into my 17th year within HPD and have been assigned to D-1 Patrol, D-1 CRU, D-4 Patrol, D-2 Patrol, D-2 CRU respectively. Each assignment has allowed me to work with a lot of great peers and supervisors.

With all the life experiences I’ve had within the Military and HPD, I believe I can use it to make the right choices for our SHOPO members. I may not know everything, but people who worked with me, know that I am a hard worker, humble and respectful boy that grew up in Waianae.

Thank you for your time and consideration.

JUSTIN L. MAULIOLA
Maui Chapter Chairman

I was born and raised on Maui and began my career at the Maui Police Department over 12 years ago. During my time as an officer, I have observed along with many of you, the changes, some good and some not, in our department.

As we sit on the verge of another substantial change in our ranks, the men and women of the Maui Police Department need a strong leader. One who will listen to the concerns of their peers, learn from the mistakes of the past and work to make positive changes for our future.

As a current member of SHOPO, I have seen the importance of strong leadership and believe that I bring to the table the ability to work with everyone to come up with solutions that work. As we look at the current issues facing not just police officers but everyone in our community, it is important to look at new ideas as the uncertainty of the current economic status and Covid-19 issues remain fresh on everyone's minds.

Retention of our current men and women would be a priority as we know that the cost of living and current retirement plans, have had a huge effect on keeping our officers here on Maui. I will make recruiting of new officers of high importance as we all see the inherent danger to ourselves and our communities, should we fall even more short of staffing.

Most importantly, I believe I bring to the table the ability to communicate. All of you have been affected by the current issues within our department and I will work to rebuild the communication lines between you the members and our department administration in order to restore trust.

I have and will remain an outspoken proponent for our members and will stand for what is right. If you, the members, are ready for positive changes within our union and ultimately our department, allow me to lead and restore your voices in this fight to benefit you all. Mahalo.

MICHAEL “CUTCH” McCUTCHEON
Maui Chapter Chairman

Currently appointed as the Chairman for our Maui Chapter's Board of Directors. I am seeking to continue my efforts of service as your Maui Chapter's Chairman.

I've been an active part of your Maui Chapter Board of Directors for the past six years. Serving as a Director for District V and appointed as the Vice-Chairman, and currently your Maui Chapter's Chairman.

During my tenure as your Maui Chapter's Chairman I have been "your voice" to the Maui Police Department's Executive Staff, as well as SHOPO'S State Board of Directors. Dealing with working conditions, negotiations as well as discussing upcoming issued directives. Notably, voicing the concern of the COVID-19 vaccine mandate, resulted in a Departmental policy that gave "us" all the option to test and for free!

Provided with the opportunity to build a good working relationship with our Mayor, County Council, as well as our State Senators and District Representatives. Following legislation that will affect our members as well as their families and voicing these concerns to those who can make a difference.

With 19 years of experience in the Maui Police Department, I've been blessed to gain vast experiences within Patrol, School Resource Officer Program, Detective, and now as a Patrol Sergeant.

I humbly ask for the opportunity to serve as your elected Maui Chapter Chairman for January 2022 through December 2025 term.

Mahalo, for the continued support, as we all know that we are doing this wholly for the Greater Good!

PAGE 1 OF 1

JUSTIN T. CARLSON

Maui Chapter District 4, Lahaina

OFFICER,
JUSTIN CARLSON
POLICE OFFICER 2

MAUI POLICE
DEPARTMENT,
LAHAINA PATROL

I was born and raised in the Fresno Valley, California. In middle school my parents moved us to the Central Coast of California where I met my now wife.

I worked a variety of jobs from busser and cook at a variety of restaurants to a supervisor for Miller Event Management where I was in charge of 20 to 30 security guards at several locations in California. While a supervisor with M.E.M. I was privileged to work at magnificent venues such as Laguna Seca Raceway for MotoGP and Santa Barbara Bowl for concerts.

I attended Cuesta College in San Luis Obispo, CA working toward a degree in Automotive Technology.

After several years with M.E.M. It was time for a change. In 2014, my wife was offered a position as a preschool teacher in Wailuku and her family offered us an apartment to rent. We sold everything, left our jobs, and moved to Maui.

Within a year of living here I was hired on with the Maui Police Department and attended the 82nd Recruit academy class.

After graduating from the academy, I was assigned to the Lahaina District Patrol division where I have been since. A couple months after graduating, we had our first son and two years later had our second.

Earlier this year I had the opportunity and attended training to join the Crisis Intervention Team.

I'm hoping with this position I'll be able to improve the communication between Lahaina Patrol Officers and SHOPO, something I feel has been lacking since I joined.
