

Assumption

UNIVERSITY Est. 1857

FEDERATED WITH THE UNIVERSITY OF WINDSOR

Dear Friends,

It is with a heavy heart that I learned of the passing of one of Assumption University's most distinguished and decorated alumni, Dr. George Arthur McMahon, Sr. On behalf of Assumption University, I extend my most sincere condolences to Mrs. Dorothy McMahon and the entire McMahon family.

Dr. McMahon was a proud graduate of Assumption University (Class of '56) and was the recipient of the gold medal for achieving the highest average in history. Shortly after completing a Master of Arts degree from Queen's University, George began his distinguished career in teaching and administration at the University of Windsor. In addition, George worked tirelessly for Assumption University serving on countless committees, particularly on our alumni board. He also made a lasting contribution to Assumption University with his many scholarly works on the history of our proud institution. On the note of history, in our near 164 years, George is the **first and only** individual to receive the "triple crown" from his alma mater, namely the Fr. Eugene Carlisle LeBel Award (2007), an Honourary LL.D. (2008), and the Christian Culture Series Gold Medal (2016). For the tremendous services he rendered to Assumption University, I am confident that George will hear the words, "Well done, good and faithful servant" (Matt. 25: 21).

Sincerely,

John Cappucci, Ph.D.
Principal and Vice-Chancellor
