"In 1838 several members of the Raccoon Creek Baptist Church were dismissed from the fellowship because they had attended giddy dances or circus shows, or had partaken too freely of 'ardent spirits' '. These and many other events from the history of the Baptist Church in Bartow County will be related by Miss Margie Black, secretary of the Middle Cherokee Baptist Association, when she brings our summer program at Munford House on Saturday, July 11 at 3 P.M. The Board of Directors will meet at 2 P.M. Miss Black will be introduced by Mrs. Gordon Powell.

**********

At the July 11 meeting the Board of Directors will establish a nominating committee for the purpose of recommending members to fill vacancies on the board effective in October of this year. PLEASE NOTE: Our bylaws state that all nominations for directors, except those nominated by the nominating committee, shall be in writing, and shall be mailed to the president at least 30 days before the annual meeting (October 3). No other nominations shall be made from the floor.

**********

Also, changes (prospective changes) in the bylaws must be proposed in writing to the president not less than 30 days prior to the annual meeting on October 3, 1981.

We have received much-appreciated donations from the Cartersville Homemakers Council and the Adairsville Homemakers Council. The Cartersville Homemakers toured Munford House in April and in June Pat Mansfield addressed the Adairsville Homemakers.

We are grateful to Jack and Verma Jolley, who spent an entire day cleaning the large Quillian loom; they picked it up and returned it to the upstairs rooms at Munford House.
Enough cannot be said about the remarkable success achieved by Millie Pierce and her Ways and Means committee in the attic sale they conducted at Rose Lawn in May. They put in hundreds of hours of work in this endeavor and netted a substantial sum to be used for our on-going needs.

Our thanks go to Pete Gray and Chemical Products Corp., Bartow County Bank and Fulton Savings and Loan Association for assistance in sponsoring the exhibit "Women in Art", the collection of Dr. Robert Coggins. We owe thanks also to Charles Hurley and Cartersville Newspapers for printing the invitations and to Shorter College for donating the handsome descriptive booklets for this important collection.

We were privileged to have the state Star Students visit Munford House to see the art exhibit. Their letters of appreciation have been most rewarding.

Martha White, Grace Davis, Helen Collins, Ginny Cole and Sis Stanford supplied the delicious and beautiful food for the reception for Dr. Coggins as well as for the Star Students.

Our Marketing Committee, led by Susan Howard and including Pat Mansfield, Margaret Franklin, Pauline Fierce, Dorris McCormick, Anne Sims, Bob White and Evelyn Martin, has been very active recently. Some of them manned booths at the Kingston and Stilesboro arts festivals, selling maps, notepaper and taking orders for "Historic Bartow County". Susan plans to have a booth at the Fourth of July celebration at Dellinger Park for the same purpose.

Lonnie Howell and Clyde Jolley, accompanied by Marjorie Jolley, put on the slide show of historic Bartow County homes at the Sans Souci Club in Adairsville, and earlier, Lonnie and Lizette Entwisle showed the slides at the Kingston Museum for the Kingston Women's History Club.

We are pleased to learn from Vice President Bob White that he and Harold "Buck" Harper plan to put on their Civil War exhibit again this fall. This exhibit was warmly received by the hundreds who saw it last year.

Welcome to our latest out-of-state member: Miss Sharon C. Bell of Atkins, Arkansas. Miss Bell is descended from the Turner and Chasteen families who migrated to Arkansas from the Allatoona area shortly after the Civil War.
