

PILOT POWER GROUP, LLC (PILOT POWER) REQUEST FOR OFFERS (RFO) TO SELL TO PILOT POWER RESOURCE ADEQUACY (RA)

Summary

Pilot Power has provided customers with unique and customized services that can lower costs, reduce risks, and provide greater procurement flexibility. When assisting customers, Pilot Power acts as an independent energy advisor, ensuring customers obtain the energy supply best suited to their requirements. Pilot Power offers a full suite of energy procurement solutions, as well as individually customized programs, providing value at any or all retail customer service points.

Submission of Offers

Please submit all offers to sell products described herein pursuant to the format described below for each respective product requested.

All offers to sell products described herein to Pilot Power must be submitted via email to the following Pilot Power contacts and consultants **on or prior to August 10th, 2021 at 5:00 PM Pacific Time. Late submissions will not be considered.** Submit offers by returning contact information, offer prices, and minimum offer quantities for each offer price by email to:

- Craig Martin (Pilot Power) cmartin@pilotpowergroup.com

Upon receipt of offers submitted in response to this RFO, Pilot Power will evaluate such offers and determine if Pilot Power will seek to enter any confirmation for a transaction at the conclusion of this solicitation. Pilot Power will allow selected shortlisted bidders for Resource Adequacy to submit best and final offers no later than August 12th, 2021 at 1:00 PM Pacific Time.
