Statement About Charity Program

As important as it is for us to present the most elegant lifestyle pieces, we would not be complete without ensuring that we are making a positive impact on the lives around us. As a woman and minority-owned business, we understand the importance of empowering the community and its empowerment. For this reason, we have created HVS Cares, a charity initiative to help fulfil our mission of leaving a positive impact on our community.

At HVS Home, each sale gives back. Through HVS Cares, we have developed multiple projects to give back in several different ways. You can read more about our initiatives below.
