

ANNIE

Fuck you fuck you fuck you!

JAKE

...Sorry, what?

ANNIE

I mean, I just - I can't believe you didn't propose to me on this trip, Jake. It woulda been so perfect. There, I said it. I said what everyone else's been thinking for like five years. Except you!

JAKE

Annie, turn around.

ANNIE

No, I will not turn around. You don't get to tell me what to do. Did your garbage friend Gil get in your head again about how terrible marriage is? Hey, note to self: no one says 'note to self' anymore, so you probably shouldn't take advice from someone who starts every one of his "jokes" that way. And FYI, Gil didn't get divorced cause "marriage blows", he got divorced cause he let himself go to a Rob Kardashian degree and now probably can't maintain an erection for as long as sex takes. Your friends are garbage people!

JAKE

Hey, your best friend always says she'd rather get divorced than married - which I've never totally understood by the way - and you don't call her a garbage person!

ANNIE

That doesn't mean I wanna end up like her. Dannah might think she's super cool now with her highwaisted jumpers, and her "marriage shmarrriage" attitude and all that Yaz - her low estrogen birth control - but there's a storm acoming, and it's called her late 30's slash early 40's. She might

ANNIE (CONT'D)

as well switch to an AOL email account tonight cause she's gonna be the short-haired Aunt who brings a friend to everything!

JAKE

Jesus, that was...hard to follow. Okay, this is so crazy. Babe, just calm down and--

ANNIE

It's your mom, isn't it?

JAKE

Watch yourself.

ANNIE

She doesn't like me, does she? Well guess what, I don't like her.

JAKE

SHE'S A GODDAMNED ANGEL FROM HEAVEN!

ANNIE

She's the most negative person on the planet!

JAKE

She's been through a lot!

ANNIE

Of friends! She's been through a lot of friends cause she's a bitch!

JAKE

(throws up his hands)

Whoa! Just - WHOA! Below the belt!

ANNIE

I'm a catch, okay? I'm funny, I do hot yoga a lot, and I didn't freak out when I caught you masturbating to an US Weekly of that surfer girl who got her arm bitten off by a shark!

JAKE

I will never apologize for that! Bethany deserves to be treated just like everybody else!

ANNIE

Then why don't you just go marry
her and have a hundred little
onearmed babies together?!

JAKE

That doesn't even make sense!

ANNIE

The gist was clear!

JAKE

Goddamnit just turn the fuck
around!

ANNIE

WHAT!?

She SPINS around and is STUNNED to see Jake on one knee.

ANNIE (CONT'D)

Oh.

(beat, unsure what to say)
...Yes?

JAKE

(exasperated)
Yeah, I guess, will you marry me?

ANNIE

I'd like that very much, thank you.

She sorta tip-toes over and looks at the RING.

ANNIE (CONT'D)

Ooh, cushion cut...

She HESITANTLY KISSES him on the cheek. Jake SIGHS, then:

JAKE

Okay everybody, come on out.

ALL THEIR FRIENDS AND FAMILY COME OUT
