

Our Mission:

Empowering people to discover their directions for life in a changing world.

Early Childhood/Homebased Therapist

Southeastern Directions for Life has an immediate opening for a Full Time Early Childhood/Homebased Therapist at our Summit location. This position would be traveling to the Watertown area 2 days a week and working in the Sioux Falls area 3 days a week.

QUALIFICATIONS: Master's Degree in a helping profession; Licensure Preferred. Knowledge of early childhood development and play therapy techniques; Registered Play Therapist (RPT) credential preferred or obtainable. Must have a current driver's license, car insurance and a driving record acceptable to Southeastern's insurance provider. Must pass a comprehensive criminal background check, including fingerprinting, drug screening.

JOB SUMMARY: A member of a multidisciplinary and grant evaluation team and have the responsibility to provide counseling and play-based counseling to assigned caseload. While providing individual, group and family therapy, participate in interdisciplinary treatment planning by developing a comprehensive psychosocial assessment and crisis intervention consultation. Complete necessary documentation. Provide public or educational presentations as needed. Travel to rural and surrounding areas and coordinate with Early Childhood Head Start locations served by IECMHC.

ESSENTIAL JOB FUNCTIONS: Essential job functions include but are not limited to:

Professional Integrity and Growth:

1. Provide quality therapeutic counseling services in the CARE Program to assigned clients.
2. Provide individual, group and family therapy.
3. Maintain quality clinical records and documentation as required by agency and payer source and as outlined in policy and procedures manual.
4. Participate in quality assurance process in keeping accurate clinical records.
5. Maintain licensure required to complete your job classification.
6. Provide on-call and crisis counseling coverage as assigned.
7. Achieve productivity level as assigned.
