

Creative Beginnings Parents,

For the month of February, we will be exploring our “Museum” theme, where we will travel virtually to all the Chicago museums. During week one, we will “visit” the Planetarium to learn all about space. Weeks two and three, we will visit the Field Museum to learn about dinosaurs and rocks. For the final week, we will travel to the Museum of Science and Industry to learn about transportation.

Classroom Reminders:

- We are having our Valentine’s Day parties on Thursday, February 13th, for the Mon/Tu/Th morning classes and both the afternoon Pre-K classes. On Friday February 14th, we will have our parties for the Wed/Fr morning classes.
- Children are encouraged to bring (non food) valentines for their friends. Please have your child address the cards to “My Friend” instead of addressing them to individual children.
- The Valentines party is a child-only event because it takes a good amount of time for the children to individually hand out their valentines. Please note that the classes are all normal drop off and pick up times. They will **not** be shortened.
- We will have a sign up sheet located on the white boards outside of the classroom doors for any families that want to donate items to make our parties special.
- You do not have to decorate or provide a box for your child’s valentines. We will be decorate them in class.
- Please remember to have your child wear dry shoes into the classroom. Because we sit on the floor, if their shoes are wet, they are uncomfortable at circle time and it is harder for them to focus on our activities.
- If you have not yet returned your deposit and paperwork for 2020-21, please do so ASAP as some classes have already started to fill up.
