1:35p - 2:35p EST	<p>*FINDING YOUR FIT: HOW PASSION AND PURPOSE TRANSFORM A CAREER INTO A LIFESTYLE</p> <p>Many military veterans experience an identity crisis during their military transitions. Some may even settle for careers and lives that underutilize their innate skills and leadership talents. As a result, in a world that is desperate for strong leaders, our society loses out on the full potential military members bring to any organization. Successful transitions back into the civilian world require that service members leverage their full leadership capabilities by seeking roles that provide purpose, fulfillment and happiness. So how does that get done?</p> <p>When you are exploring your next career move, finding the right fit requires that you align your skills, passions and values with a work role. Doing so can determine your success now and long into the future. The journey to discovering your fit begins with understanding your passion archetypes - which define your overall approach to work and life – and provide insight into how you can be motivated to deliver your very best. Armed with knowledge of your unique passion archetypes, you better align your passions with all aspects of your life, from what you choose to study, to the relationships you form with others, to the career path you decide to pursue.</p> <p>The Passion Profiler™ scientifically assesses an individual’s expression of purpose as work-related passions. Built on the fieldwork of Purpose Linked Consulting and informed by the empirical literature on socio-cognitive identity development, The Passion Profiler™ is a groundbreaking tool created by Alaina Love, a leadership and team development expert, and researchers at the University of Michigan.</p> <p>Once completed, you will receive an 18-page customized report that highlights not only your affinity to all 10 passion archetypes, but also defines the styles of passion you are currently utilizing at work, measuring your connection to the organization and your occupation. For current and future job seekers, the Passion Profiler™ will provide you with a competitive advantage that you can use to identify ideal career paths, develop a powerful personal branding message, focus your job search and stand out from the rest of the pack in the interview process. This interactive workshop will help you interpret your assessment results and learn practical, actionable strategies to find your best career fit.</p> <p><i>Facilitated by: Alaina Love, SPHR - President and CEO, Purpose Linked Consulting</i></p> <p>*NOTE: YOUR PRE-WORK FOR THIS SESSION MUST BE COMPLETED BY THE PUBLISHED DEADLINE FOUND ON THE “PASSION PROFILER” TAB TO GUARANTEE RECEIPT OF YOUR REPORT ON THE DAY OF THE EVENT.</p>
