

St. John School ~ Philosophy of Education

St. John Elementary School is one segment of our total parish ministry. Our goal is to assist parents in their primary role as educators of their children. We, as a school family, assist in the spiritual, academic, emotional and social growth of our children. Working with parents, the teachers and staff bring a sense of ministry to their work and make every effort to model the care and concern of Christ for His Church in the classroom setting. At the same time, we challenge each student to reach his/her full academic potential.

As a school family, we provide daily opportunities to grow in faith and to become friends with those who share our values, our love of God, and our concern for others. Academically, we offer a sequential learning continuum providing all students with essential skills to meet the challenges of today as children, and the challenges of tomorrow as adults.

St. John School ~ Mission and Vision Statements

Our Mission: St. John School educates students of all faiths in a safe, nurturing Christ-centered environment.

Our Vision: Guided by our Catholic tradition, we provide the highest quality education and empower students to excel spiritually, intellectually and emotionally. We inspire them to reach their full potential and be the Light of Christ in this life and for eternity.

Admission

All newly admitted students will be accepted on a probationary basis for the first two months following enrollment. During this two month period, the administration and teaching staff will work in close cooperation with the parents to help resolve any problems or difficulties the child may have in adjusting to the school's standards. If, after a total effort has been made, the student cannot conform to the school's standards, the administration will help the parents seek an alternative educational setting for their child.

Registration

Our registration is handled through the Jackson Area School online registration portal. Applications for financial assistance, and tuition collection automatic withdrawal options are done through FACTS Online Management System.

All families of currently enrolled students must re-register each year within the specified registration time to maintain their enrollment status. Tuition for the current school year must also be up-to-date in order to register for the next school year.

Tuition 2019-2020

St. John School is like all other parochial schools in Michigan: it is not subsidized with any state funds. Our school depends totally on our parish and tuition for its operating costs. It is important for parents of Catholic school children to support their children's Catholic schools spiritually, physically and financially.

Families have two options for tuition payment:

Pay directly to the school in full before the start of the school year and receive a 2% discount.

Make monthly payments (July – June) via automatic withdrawals through the FACTS Company.

Registration fee - \$55 per family before May 1st, and \$75 per family on or after May 1st.

Active Participating Parishioners:

1 child (Grades K) \$3,090

1 child (Grades 1-6) \$3,520

2 children \$6,180

Attendance

(School Hours, Absence, Tardiness, Illness and Excusing Students)

School Hours:

Preschool 3s: Tuesday and Thursday from 8:10 am – 11:00 am

Preschool 4s/5s: Monday, Wednesday and Friday from 8:10 am – 3:10 pm

*Preschool students must be signed in and out of the classroom by an adult.

Full Days K-6: 8:10 AM to 3:20 PM

Recess/Lunch: Grades K-3 11:00 – 11:50 Grades 4-6 11:20 – 12:10

Half Days K-6: 8:10 AM to 11:45 AM

1. Students are to arrive at school no earlier than 7:50 AM. Adult supervision on the parking lot does not begin until that time and students cannot be unsupervised. Parents needing to drop their children off at school before 7:50 AM will need to use the school's Latchkey Program located in the cafeteria. A minimal fee will be charged for this service.

2. Being on time for school is important. Tardiness causes disruptions not only to the tardy student, but also to the entire class. Tardiness and irregular attendance interfere with the student's academic progress. Students who demonstrate a pattern of absences and tardies within a marking period may be referred to the Jackson County Attendance Officer.

Students in grades K through 6 arriving after the 8:10 entrance bell must report to the school office to obtain a tardy slip before being admitted to class.

3. The recording of student absences will be as follows;

If a child ARRIVES late for school:

Tardy until 10:00 AM

Absent $\frac{1}{2}$ day after 10:00 AM

If a child DEPARTS from school for the day:

Before 10:00 AM – whole day absence

Between 10:00 AM and 1:45 PM – $\frac{1}{2}$ day absence

An appointment beyond two hours counts as $\frac{1}{2}$ day absence.

4. If a child is absent or will be tardy from school, the parent or guardian is to notify the school office at 784-1714 before 9:00 AM.

5. A child's learning may be affected when he/she misses regular class presentation, review and testing. Most of the instruction and work missed is impossible to make up due to the use of audiovisual materials, class discussion and activities, and lecture presentations that are not possible to adequately repeat.

6. Study assignments may be picked up at the school on the second day of the student's absence. Students will be responsible for work covered during any absence. A student will be given no more than one day per day absent to turn in missed work.

7. When prolonged absences due to illness or vacation are anticipated, an EXTENDED ABSENCE REQUEST FORM must be filled out and returned prior to the absence. It states that the student and parents accept responsibility for work missed. Advance assignments are not always possible and only certain types of academic work can be made up on returning to school. The amount of advance assignments given to students is up to the discretion of the classroom teacher. In all such instances, it is the parents' responsibility to assist the child in completing missed work. In cases of prolonged absence for any reason, it can be expected that a student's grade may be affected.

8. All communicable diseases must be reported to the County Health Department by the school. Please call the school office to report cases of strep throat, chicken pox, etc. Do not send a student to school with a fever, sore throat, rash, upset stomach, skin eruption, earache, inflamed eyes or a bad cold. If a child is sick in the morning, he/she should be kept at home.

Parents will be contacted and are responsible for making arrangements to pick up a child who becomes ill while at school.

9. If a student is absent a total of 10 days per quarter, and has not completed missed assignments in a timely manner, the student may not qualify for a grade during that marking period.

10. Please avoid scheduling doctor, dental or other appointments during the school day. However, if it cannot be avoided, a written excuse from the parent or guardian must be presented to the teacher to be recorded by the office, stating the date and time of the appointment.

Parents must come to the office to sign out their child. Upon return to school, the student must be signed back in by the parent.

11. Students will be dismissed at 3:20 PM each full day of school. Adult supervision on the playground ends at 3:40 PM. St. John School cannot be responsible for children who remain on the grounds after 3:40 PM. Therefore, students will be sent to Latchkey and a minimal fee will be charged.

12. Parents are asked to send in a written note informing the school of any change in method of departure for a certain day.

*The State of Michigan requires us to report a student who has accumulated 10 or more unexcused absences.

Birthday Celebrations ~ Treats

Keep it simple! While it is important to acknowledge a child's birthday, we do try to keep classroom disruptions to a minimum. Therefore, we ask that birthday treats are both easy to distribute and easy to eat. Avoid things that need to be cut or poured. Sending along napkins is appreciated. Please contact your child's teacher to arrange a convenient day and time for the treat.

Flowers or balloons sent to the student during the school day will be kept in the office and delivered to the student at the end of the day.

We prefer that invitations to birthday celebrations be mailed to the homes of the children. Invitations to birthday celebrations may be distributed at school only if the entire class – or all girls or all boys – is included. Invitations must be given to the teacher for distribution. Invitations that do not follow these guidelines may not be handed out at school.

Buses

Students residing in the Jackson Public School District are eligible to ride the Jackson Public buses at no charge. The transportation schedule for non-public schools appears on the JPS website before the first day of school. All inquiries or problems with JPS buses should be directed to the transportation office at 841-2180.

Students living outside the JPS service area may contact Joe Williams at Lumen Christi at 787-0630 for route, schedule and fee information.

Child Custody

In cases where one parent has sole legal custody of a child and does not desire the other parent to have student pick-up rights, the school needs a copy of the court order concerning the child's custody that will be kept in the school office.

Communications

It is extremely important that ongoing communication takes place between school and home. Some of the more formal methods of communication include:

1. Open House/Parent Meeting:

Parents have an opportunity to meet the teachers and support staff in the first month of the school year. A handout is given out by each teacher on that evening to explain the grade's curriculum and expectations.

2. Newsletter:

A weekly parent newsletter is accessible online at our school website – www.jcsstjohn.org – on Thursday of each week. Paper copies are distributed upon request. This weekly communication contains important school information.

3. School Messenger:

Phone and/or email messages will be sent out to parents and staff throughout the school year. A Thursday afternoon email will include the link for the weekly newsletter. A 4:00 Sunday email and call will have reminders for the coming week. Please be sure that email and phone information is up to date in the school office.

4. PowerSchool:

St. John School uses PowerSchool - a web-based, student information system - to give parents of students in grades 3-6 instant access to their child's grades. Parents are given an access code for each student which allows them to view assignments and grades for their child(ren). The gradebook portion of PowerSchool provides an email link for the teacher. PowerSchool is also used for hot lunch account balances for all students.

5. Steps to Take if You Have a Concern:

- 1) First, request an appointment to discuss your concern with the teacher or staff member by sending a note or email, or by calling the school office at 784-1714.
- 2) If you feel your concern has not been adequately addressed, you may then request an appointment with the school administrator/principal.

Curriculum

The curriculum includes all subject areas and content mandated by the State of Michigan. Religion is taught daily and students attend Mass weekly. Students receive weekly scheduled times for library, music, physical education, art, and computer literacy in accordance with the Diocesan suggested time allotments for each subject. This year, students will also receive weekly Spanish instruction. Instrumental music (band) is offered to students in sixth grade.

Additional opportunities include:

Weekly Liturgy and Monthly Adoration

Seasonal Penance Services

Monthly Reconciliation

Girls Quest

Service Opportunities

Yearbook Club

Reading Buddies/Prayer Partners

Knights of Columbus Spelling Bee

County Spelling Bee

Broadcast Club

Mileage Club

School Choir (Grades 4-6) and Band (Grade 6)

Discipline

The St. John Elementary School staff believes that in order to achieve the goal of quality education for each student, the administrator, teachers, parents and students must work together to create an atmosphere in which good order and discipline prevail. The staff of St. John has high expectations

regarding the discipline of students. We encourage students to make good choices, to practice self-control while at school and at school-sponsored functions, and to accept responsibility for their actions.

Every teacher has classroom rules that the students are to follow. When these rules are not followed, students receive consequences based on the individual teacher's classroom management system. Teachers provide specific details in written form at the beginning of the school year.

Emergency Information

Contact information for parents and for some other adult in the event a parent cannot be reached must be kept current. Please contact the school office if changes to information occur during the school year.

Evaluation ~ Standardized Testing

St. John School participates in standardized testing approved by the Diocese of Lansing. NWEA (Northwest Evaluation Association) MAP testing is used to assess students in grades 2 through 6. Our fifth graders also participate in the National Catholic Education Association's Religion Assessment.

Field Trips

Field trips are an extension of classroom learning. Trips are planned by the individual teachers and are properly supervised. A signed parental permission slip is mandatory for each field trip. Standard form must be signed; no other notes or phone permission can be accepted.

Parent chaperones must be VIRTUS trained. (See VIRTUS for details.) Because of the role of the chaperones, we ask that arrangements are made for younger siblings, and that adults refrain from cell phone conversations during the trip.

Homework

Homework is a valuable part of each student's learning experience and must be given highest priority among after-school activities. Homework assignments provide practice and drill to reinforce classroom learning. Any classwork not completed during the school day becomes homework as well. Parents have a responsibility to provide the student with a quiet, comfortable place to study, then to check that assignments are completed neatly and accurately.

Students in grades 3 through 6 are given an assignment planner in which to write daily homework assignments. It is recommended that parents check students' assignment planners to keep abreast of assignments and tests. Individual grades have varying homework policies including procedures for missing and/or incomplete assignments. Teachers provide specific details regarding their homework policies in written form at the beginning of the school year.

Latchkey

St. John School provides a before and after school latchkey program for families. Details and fees can be obtained by calling the school office. Students on the school grounds before 7:50 AM or after 3:40 PM will be sent to Latchkey to be supervised until picked up. A minimal fee will be charged for this service.

Liturgy and Sacraments

Students have frequent opportunities to celebrate the Sacraments. Students attend Mass once a week and on Holy Days of Obligation. (Weekly school Masses do not fulfill the Sunday Mass obligation.) The Sacrament of Reconciliation is celebrated twice each school year during Advent and Lent. Students also participate in a variety of prayer services, including daily prayer in their classrooms, Stations of the Cross, the Living Rosary, May Crowning and monthly Adoration.

While all St. John students participate in daily religion instruction and special celebrations, only Catholic students may receive the Sacraments. Preparation and initial celebration of the Sacraments occur at the following grade levels:

Eucharist: 2nd Grade

Reconciliation: 2nd Grade

Confirmation: Preparation begins in middle school

Families with a child above 2nd grade who has not yet received the Sacraments of Eucharist and Reconciliation, may request personal instruction for Sacramental preparation.

Lockers

Each student in K through 6th grade is issued a locker. The locker should be kept neat at all times. Keeping locker doors closed and hallways neat help to promote a sense of school pride. Only necessary books and materials are to be kept in the lockers. Stickers, posters, pictures, magnets and tape of any kind are prohibited on both the inside and outside of the lockers. If a problem arises concerning the functioning of a locker, the student should notify a teacher or the school office.

Lost and Found

All things brought or worn to school should be clearly marked with the student's name. This includes: books, jackets, hats, gloves, shoes, boots, gym clothes, bookbags, lunchboxes, etc.

Found articles will be kept on the Lost and Found cart near the school entrance for one month. If your child is missing something, please encourage him/her to check the cart or ask in the school office.

Unclaimed items that do not have a name on them will be donated to St. Vincent DePaul at the end of each marking period.

Lunch and Recess

Students have an opportunity to purchase a hot lunch or bring their own lunch. Milk is available for students to purchase. Free and reduced lunches are provided for students who qualify for this program. Applications are available through the school office or on the school website.

Students will normally go outside each day. It is necessary that they dress appropriately for the weather. Students must have a signed doctor's excuse in order to stay inside during the lunch recess time.

Medication

State law SB261, Section 378 requires that no child be administered any medication, including Tylenol, without the parent's written permission. If a child is required to take prescription medication during the school day, the medicine must be labeled with the child's name, dosage and directions for administering, and be kept in the school office.

If your child takes Tylenol frequently, please send a small bottle of chewable Tylenol to the school office.

Safety and Security

In fulfilling its obligation to maintain a positive, productive and safe environment for all employees and students, St. John Elementary School will take any necessary action to ensure the safety and well-being of its employees and students. Actions may include calling for police intervention if deemed necessary.

Tornado Watch – All students and staff will remain in classes as scheduled or continue with scheduled activity. The administration will closely monitor the weather situation.

Tornado Warning – Students and staff will be retained within the building and moved to the safest possible location using the building's tornado plan. They are to remain there until the warning is lifted. During a tornado watch or warning, parents may sign out students in the school office.

School Closing

In general, if Jackson Public Schools are closed or delayed because of bad weather conditions, all Catholic schools will also be closed or delayed. When this is the case, it will be announced on the radio (WKHM 970, WIBM, WJKN 1510, and K105.3), as well as on the local television stations. Please listen to your radio when weather conditions seem probable.

We will also be using our automated phone message system – School Messenger – to notify you of school closings or delays via email and phone call.

If it is the case that school needs to close after the start of the school day, we will alert you to that decision via the automated phone and email message system. Please be sure that contact information is up to date.

School Pictures

Individual student pictures are taken in the fall of the school year. The fall pictures are taken of all students. Parents have the option of purchasing photo packets and classroom composites through the photography company. Photos are also used in the annual SJS yearbook which may be purchased through the school.

School Supplies

A school supply list is sent home in early August for the current year, and in June for the following school year. Parents may also access our supply list on the school website. It is necessary to replenish these supplies throughout the school year.

Sexual Harassment

Inappropriate sexual conduct will not be tolerated and may constitute sexual harassment. St. John Elementary School will take appropriate action to prevent and correct behavior that violates this policy.

Special Services

In addition to the classroom teacher, St. John School also provides these special teachers and services:

Learning Center - full time teacher: remedial and enrichment reading

Speech Therapist JCISD

Title I Reading and Math

Teacher Consultant JCISD

School Counselor contracted through Catholic Social Services - 12 hours per week

School Psychologist JCISD

Technology

St. John Elementary School is equipped with a computer lab where each student, grades K through 6 as well as preschool 4/young 5s, has weekly guided instruction. Classroom teachers may sign up to bring students to the computer lab for research or other computer-assisted instruction.

Additional computers and/or iPad stations, document cameras (ELMOS) and projectors, and interactive (SMART) boards are located in each of the classrooms, and are used to enhance instruction by the individual teachers.

All JACS teachers have a school issued iPad and laptop to use in their classrooms. St. John also has two mobile carts with 30 iPads each for classroom use.

All students and parents will read and sign the Internet Policy Agreement which will be kept on file for the student's term of enrollment at St. John School. If equipment is used inappropriately, the student's computer privileges will be denied and discipline will occur.

Telephone Usage

The school phone is for school business only. Calls for forgotten lunches, books, school work, gym clothes, etc. will generally not be allowed.

Student cell phones must be turned off and be given to the classroom teacher during the school day.

TRIP (Tuition Reduction Incentive Program)

The TRIP program provides an excellent opportunity for you to lower your tuition bill while supporting the school at the same time. Detailed information on how to purchase gift cards to the many local and national businesses is available in our school office or on our school website.

Valuables

St. John Elementary School cannot be responsible for valuables (jewelry, money, electronics, etc.) which students bring to school. It is recommended that students leave all valuables at home, and bring to school only the materials necessary for learning. If special circumstances make it necessary for a student to bring substantial cash or other valuable possessions to school, these items can be safeguarded by giving them to their classroom teacher or bringing them to the school office.

Visitors

Good education begins with safety and security for students and staff. For this reason, all visitors to the school grounds or building must report to the school office for a visitor pass. Parents are asked not to take articles directly to their child's classroom. It is vital that classes are disrupted as little as possible.

VIRTUS ~ "Protecting God's Children"

All adults desiring to be involved at St. John Elementary School in a capacity that requires contact with students must complete a VIRTUS training session provided by the Diocese of Lansing. Volunteers must also sign a contract known as the "Volunteer's Code of Conduct." Contact the St. John School office for more information.
