**YWCA
IS ON A
MISSION**

Water Aerobics - All Water Aerobics classes operate on a first-come, first-served basis. Participating members must pick up a class pass at the Front Desk up to 30 minutes prior to class. Aquatics classes that take place Tuesday - Thursday have a maximum capacity of 15 participants. Our Monday and Friday aquatic classes are hybrid classes with a maximum capacity of 20 participants. Participants are able to use belts (flotation devices) allowing them to go into the deep end of the pool while still having support. This allows these classes to utilize space in both the shallow and deep ends.

Water Aerobics - Aqua Arthritis Energizer

Gain strength and flexibility with gentle activities in the water with guidance from an Arthritis Foundation certified instructor.

Water Aerobics - Aqua Power

Get a full body workout with a variety of cardio and strength training exercises in the pool.

Water Aerobics - Aqua Water Work

Water Aerobics - Aqua Yoga

Basic yoga stretches and postures using the light gravity of water to help cushion the joints.
