CLASS DESCRIPTIONS

(As of 9/14/20, all classes are held in multipurpose room until further notice.)

- **Core, More & Stretch:** A low-intensity mat workout focusing on core strength ending with a long, relaxing stretch.
- **Cycle Class:** This class is a high intensity cardio workout set on a specialized stationary bike.
- **HIIT (High Intensity Interval Training):** This class improves muscular and cardiovascular strength and endurance, using weights and various impact level cardio moves.
- **LIIT (Low Impact Interval Training):** This class improves muscular and cardiovascular strength and endurance, using weights and low impact cardio moves.
- **Move and Groove:** A low-intensity chair and standing class focusing on flexibility and strength. Great for those suffering with joint issues.
- **Pilates:** Low-impact exercises that focus on core strength, flexibility and long, lean muscles in the whole body.
- **Pilates: Core & More:** Tone, sculpt, and lengthen with this low impact workout utilizing your own body weight, bands, light weights, and more. Focusing on core strength, this class will improve stability and posture.
- **Pure Body Strength:** This is a low/no cardio sculpting class designed to cover every muscle group thoroughly, using weights
- **Yoga I:** Beginner friendly. Classes go through traditional yoga postures and stretches.
- **Yoga I/II:** A flow style yoga, combines movements with some traditional yoga postures.
- **Vinyasa Yoga II/III:** A flow style yoga, a little faster pace combined with some traditional yoga postures.
