Thank You for entrusting your children to us this past year. It has been a uniquely challenging year for everyone as we have all been pushed to discover just how adaptable we can be. We appreciate the kids 'zooming' through dance with us this spring and hope it has given them all just a little bit of normalcy within these crazy last few months.

We want to extend to all of our dancers an end of the year gift....

Join us for the week of **June 8-13 – Bring a Friend to Dance.**

FPD is proud to announce one week of complimentary classes for all of our dancers.

And we invite everyone attending to share their link with someone and "Bring a Friend to Dance with Them"!

Please join us for summer camps – we will zoom them through June, and offer your choice of in studio or zoom camps for the July and August sessions, as per the State of Ct guidelines.

We will also offer our pre-Professional punch card classes in a zoom format for June, and then in studio July and August, as per the State of Ct guidelines.

Registration is open for 2020-21 sessions and the new schedule is posted. Can't wait till we can all be back in the studio again.

Thank You for entrusting your children to us this past year. It has been a uniquely challenging year for everyone as we have all been pushed to discover just how adaptable we can be. We appreciate the kids 'zooming' through dance with us this spring and hope it has given them all just a little bit of normalcy within these crazy last few months.

We want to extend to all of our dancers an end of the year gift....

Join us for the week of June 8-13 – Bring a Friend to Dance.

FPD is proud to announce one week of complimentary classes for all of our dancers.

And we invite everyone attending to share their link with someone and "Bring a Friend to Dance with Them"!

Please join us for summer camps – we will zoom them through June, and offer your choice of in studio or zoom camps for the July and August sessions, as per the State of Ct guidelines.

We will also offer our pre-Professional punch card classes in a zoom format for June, and then in studio July and August, as per the State of Ct guidelines.

Registration is open for 2020-21 sessions and the new schedule is posted. Can't wait till we can all be back in the studio again.
