

Recycling is Required

California Regulations (AB 341 & AB 1826)

Require that Commercial Businesses and qualifying Multi-Family Buildings must sort Recyclables and Organic materials out of their garbage.

The purpose of the recycling regulations is to reduce the amount of **recyclable** and **compostable** materials that are currently being deposited in landfills.

Visit: www.CalRecycle.ca.gov for more information about the Commercial Recycling Regulations.

Contact us to improve or start your **Recyclables**, **Yard Trimmings** and/or **Food Scraps** collection program today!
