

Dual-Stream Recycling Means Less Contamination

The cleanest and most efficient sorting starts with you, the generator. We thank you for your efforts! Using the Blue Recyclables Split Carts or Dedicated Carts and/or Bins properly means:

- Compliance with the City of Milpitas collection program.
- Less contamination/higher quality product.
- A cleaner stream to help meet export requirements.

SORTING TIP! KEEP AN EYE ON SIZE!

Corrugated cardboard and paper boxes should be flattened and large pieces cut to 2' x 2' or smaller. This allows for more room in your cart or bin and assures the pieces will fit in the hoppers of our collection vehicles.
