*Thank You* to all who joined us for the Entrepreneurs Breakfast on Saturday, January 11th. The atmosphere was absolutely electric therefore we look forward to receiving all the reports of just how it shaped your 2020 success!

## Time to Do It Different

Pastor Bryant has set the standard for how to move forward in the new year and this new decade and we are in agreement. Additionally, we believe God is ushering in a paradigm shift in business and requiring a new level of commitment to do it the Kingdom way. Therefore, you can expect that EICC will work diligently to deliver much needed resources, tools, and information to empower you.

## Partners Place
