

OVIMA

Where Stars Are Born!

CLAV was born in 2015, to carry on the legacy of my mother Celia Lobo, India's only Opera Diva. It started with an intention and vision that someday I would start an Arts organization on an international level, which would prepare students wishing to pursue a career in the Arts.

With its high-end training, performance, structured, and progressive curriculum, in January 2020, CLAV evolved into **One Voice Institute of Music and Art (OVIMA)**, a global and full-scale complete performing and visual arts institute, with CLAV continuing to be the Vocal Department. We launched OVIMA on 5th Sept 2020. here are few snippets of Launch day.

The launch event was attended by Friends and Family on Zoom Call on 5th Sept 2020
