July 12 – Fairy Garden workshop at *Wagner Farm* – Lake & Wagner Roads in Glenview. Members \$10. Nonmembers \$15. Please bring a small “12 container. The club will supply soil, 3 fairy items, several herb plants, and instruction. RSVP [847-724-2286](tel:847-724-2286) by 7/6, so I’ll have enough supplies.

August 9 – Raising Monarch Butterflies at *The Grove* – Milwaukee Ave in Glenview

September 13 – Preserving Native Plant Habitats – Randy McCool

October 11 – “Rooting for Clean Water with Rain Gardens and Native Plants” – Krista Grimm will discuss the negative environmental impacts of stormwater runoff, and how native plants provide a solution.

November 8 – “Planning for Winter Interest” – Carol Cichorski will speak about our garden is wonderful to look at all year long, as are the others in this presentation from the 2014 Chicago Flower and Garden Show. Your winter garden can be interesting too. Really! A surprisingly great spring/summer topic so you can plan for next winter.

December 13 – Holiday Party & Potluck
