Dear Parents

ONLINE LEARNING AND STUDENTS' EFFORTS

Greetings from HIM International School!

The present health emergency has an enormous amount of pressure on all of us which made it impossible to lead a normal life at least for some time ahead. The situation might continue to prevail for some more time, how long is unpredictable though.

The CBSE Board has stressed the need of continuing education with online and blended modes of schooling during the pandemic. Our school has, from the beginning, very systematically organised the online and offline teaching and learning and it's going on very well.

We are aware a few students were not able to attend the online classes. They fall into two categories: a) those who decided not to attend the classes even when they have all the facilities b) and those who were not able to attend due to technical problems or lack of facilities.

As we have stated earlier, for those who were not able to attend the online classes due to lack of facilities, could access our OFFLINE MODE OF LEARNING. We have made all arrangements for them. Just contact the school to access the offline mode of learning.

For those who were not attending the classes even though they had all the facilities, we would like to request the parent to allow their wards to attend the online classes that they may not lose the academic year.

We would like to bring to your attention the following very important point regarding your ward's academics.

- A. Please make sure that your wards attend online classes regularly
- B. For those not having facilities, please reach out to the school for Offline Learning Facilities.
- C. Please make sure that your wards do take the online classes seriously committedly and disciplined manner.
- D. Your wards are required to complete the **HOMEWORK, ASSIGNMENTS AND PROJECTS** without fail and submit them as directed.
- E. Their assessment for the current quarterly (or perhaps for the current academic year) would be based on their efforts which is valued by their:
 - (i) Attendance
 - (ii) Submission of a) Home works b) Assignments c) Projects

For any further queries, please feel free to [contact – 8132886528](tel:8132886528).

Principal
